MACDONNELL COUNCIL CODE OF CONDUCT

ITEM NUMBER 4.1
TITLE MacDonnell Council Code of Conduct

EXECUTIVE SUMMARY:
This report contains all of the details about the MacDonnell Council Code of Conduct Policy.

RECOMMENDATION
That the Imanpa Local Authority notes the Council Code of Conduct.

MacDonnell Regional Council Code of Conduct

Interests of the Council and Community come first

A member must act in the best interests of the community, its outstations and the Council.

Honesty

A member must be honest and act the right way (with integrity) when performing official duties.

Taking care

A member must be careful to make good decisions (diligence), and must not be under the influence of alcohol or illegal drugs, when performing official duties.

Respect/Courtesy

A member must be respectful to other members, council staff, constituents and members of the public.

Conduct towards council staff

A member must not direct, reprimand, or interfere in the management of council staff.

Respect for culture

A member must respect different cultures, families and language groups (cultural diversity) and not be unfair towards others, or the opinions of others, because of their background.

Conflict of interest

A member must, if possible, avoid conflict of interest between the member's private interests (family, other job, business etc.) and duties.

Where a conflict exists, the member must inform the Council, Local Authority or Council Committee and not take part in the discussion or vote.

Respect for private business

A member must not share private (confidential) information that they heard as a member, outside of meetings.

A member must not make improper use of confidential information to gain a benefit or to cause harm to another.

Gifts

A member must not ask for or encourage gifts or private benefits from anyone who might want to do business with or obtain a benefit from Council.

Accountable

A member must be able to show that they have made good decisions for the community, and have allocated the Council's resources carefully and to benefit the region.

Failure to comply with this Code of Conduct may result in disciplinary action.

ISSUES/OPTIONS/CONSEQUENCES

The Code of Conduct Policy helps Council to ensure that the:

- MacDonnell Regional Council (MRC) exercises strong and accountable governance;
- constituents of MRC are aware of the behaviours they can expect from members.

12 GENERAL BUSINESS AS RAISED AT ITEM 6.2

GENERAL BUSINESS

EXECUTIVE SUMMARY:
At the beginning of the meeting, under item 6.2, members of the Imanpa Local Authority have an opportunity to provide notification of matters to be raised in General Business.

RECOMMENDATION
That the Imanpa Local Authority notes and discusses the General Business items raised at Item 6.2.

Note that no General Business items was raised at item 6.2.

13 NON-COUNCIL BUSINESS AS RAISED AT ITEM 6.3

OTHER NON-COUNCIL BUSINESS

EXECUTIVE SUMMARY:
The Department of Chief Minister and Cabinet (DCM&C) will be in attendance to provide any necessary updates in regards to Northern Territory Government services.

At the beginning of the meeting, under item 6.3, members of the Imanpa Local Authority have an opportunity to provide notification of matters to be raised in General Non-Council Business.

ILA2021-055 **RESOLVED (Janie Bulla/Marlene Abbott)**

That the Imanpa Local Authority:

a) **noted and accepted the updates and progress on actions from the Department of Chief Minister and Cabinet;**
b) **discussed the following items raised at item 6.3;**

School:
The Local Authority asked the Representative from the DCM&C if they could find out why the school closed on some of the school days. The Representative advised that as it was independently owned, he would contact Nyangatjatjara College for a response.

Health Clinic:
The Local Authority request a response on why the clinic's services were reduced to four hours per week and when full services will be returned.
They request that the current hours be extended and are disappointed that they are not getting support from NT Health with medical, emergency/critical issues and would like the Representative to investigate what the possibility or procedure would be for Congress to take over the running of the clinic.

After hearing from the Local Authority that there were considerable time delays in the response from nursing staff for critical emergencies in Community, the Representative from the Office for Warren Snowden's office advised that he would also follow up as critical emergencies should always be treated as a priority.

Vaccinations:

The Local Authority advised that the medical staff from Yulara had missed two of their four appointments to vaccinate the community, and as they were in Community for only four hours, in between seeing patients, a lot of the Community was missing out on being vaccinated. The Local Authority are requesting that the hours are extended. Response from the DCM&C Representative was that NT Health were experiencing staff shortages created by the Covid restrictions. He was advised that the nurses would be in every Wednesday and if the Community would provide names of residents that wanted to get their vaccination shot, the Department would work with NT Health to ensure these residents were at the top of the list.

Store:

It was raised by member Charles Gibson that the cost of food in the store was very expensive and if there was a way to see that costs could be reduced.
The Representative from Warren Snowden's office advised that there was a new Aboriginal owned business called 'Kere to Country' that specialises in delivering fresh meat to communities.
It may be something that the whole community could look at doing to ease the costs to their household and with multiple orders, they could also save on delivery.

14 DATE OF NEXT MEETING - TO BE ADVISED

15 MEETING CLOSED

The meeting terminated at 3.07 pm.

CONFLICTS OF INTEREST

ITEM NUMBER 7.1
TITLE Conflict of Interests

EXECUTIVE SUMMARY:
This report outlines the minimum standard of behaviour expected of the Local Authority in relation to declaring personal or family financial interests that may impact on the performance of their roles and ability to make objective decisions.

RECOMMENDATION
That the Imanpa Local Authority Meeting:

a) notes the Conflict of Interest Policy; and
b) members declare any conflicts of interest.

BACKGROUND
Conflicts of interest arise when members are influenced, or appear to be influenced, by personal interests when doing their jobs. The perception of a conflict of interest – the way it seems to the public - can be as damaging as an actual conflict, because it undermines public confidence in the integrity and fairness of MacDonnell Regional Council (MRC).

Under the *Local Government Act,* not declaring a conflict of interest or improperly disclosing information can lead to imprisonment.

Examples of conflicts of interest and improper disclosure of information:

Tendering and Purchasing – financial conflict of interest

- Example: Council has advertised for a contractor for irrigation of a football oval. A member is employed by a company which has tendered for the contract. This may affect, or it may reasonably be suspected that it could affect, their ability to make an unbiased or fair decision when the contract choice is considered by Council.

Tendering and Purchasing – non-financial conflict of interest

- Example: A contractor tendering for a Council contract for road works offers to seal the road to a member's house. The member would not be seen as impartial or fair when choosing the contractor for the job.

Information and Opportunities

- Example: a member may know a lot of information about tenders for contracts coming up in the MRC area before the tenders are made public. Conflicts can arise if the member gives this information to a friend or relative working for a company so they can have a better chance of winning the contract.

Undue Influence

- Example: a member tries to pressure a hotel in Alice Springs into providing free accommodation, because they are a member of Council.

Declaring a Conflict of Interest
As soon as practical after a member becomes aware of a conflict of interest in a matter that has come up or is about to come up before or during a meeting (council, local authority or council committee), the member must disclose or tell the relevant interest to the meeting and to the Chief Executive Officer (CEO) of MRC.

Details of members' interests and the nature of those interests will be recorded in the relevant Register of Interests published on the Council's website and to be available for any member of the public to look over at the Council's public office.

In addition, if a member enters into a personal or business relationship with another member or Council employee that could result in a conflict of interest, then this relationship must be reported to the President and CEO. A file note will be made and recorded on the relevant Register of Interests.

Uncertainty about whether a conflict of interest exists or not

If a member is unsure whether or not they have a conflict of interest, they should give full details to the CEO or seek independent legal advice.

The CEO does not have a responsibility to decide whether or not a member has a conflict of interest in a matter. The responsibility for determining whether a member has a conflict of interest is up to the individual member.

If you do have a Conflict of Interest

After a member has disclosed the nature of the interest, the member must not, without approval from the Minister:

- be present during any discussion of the meeting when the matter is being discussed
- take part in any decision related to the matter
- Influence another member in their decision.

Members will not become involved in the promotion or endorsement of products and/or services unless this has been approved in line with Council's policies and Code of Conduct.

Complaints Regarding Failure to Disclose an Interest

Any person may make a complaint that a member has or may have failed to disclose or tell of a conflict of interest. All complaints should be directed to the MRC CEO.

ISSUES/OPTIONS/CONSEQUENCES

The Disclosure of Interests Policy helps Council to ensure that:

- the business of Council is conducted with efficiency, fairness, and integrity; and
- members act in the best interests of Council and do not seek personal or family gain when performing their duties or use their public office for personal gain.

DEPUTATIONS / GUEST SPEAKERS

ITEM NUMBER	8.1
TITLE	NT Strategic Water Plan consultation
REFERENCE	- 309486
AUTHOR	Barbara Newland, Manager Governance and Compliance

LINKS TO STRATEGIC PLAN
Goal 01: Developing Communities
Goal 02: Healthy Communities

EXECUTIVE SUMMARY:
At its December 2021 meeting Council resolved to work with the NTG and water consultants to provide Local Authorities with the opportunity to engage in the consultation process in relation to the NT Strategic Water Plan. Mr Cocking, Independent Consultant with Northern Possibilities is presenting today to commence the engagement process.

RECOMMENDATION
That the Local Authority discusses the recently released NT Strategic Water Plan Directions Paper and any key water security issues from the perspective of the Finke community.

BACKGROUND
The Northern Territory Government's Office of Water Security would like to discuss the recently released NT Strategic Water Plan Directions Paper with Council and discuss any key water security issues from a MacDonnell Region perspective. The Northern Territory Strategic Water Plan will set the agenda on water management through to 2050 and address water security in the Territory. The plan will be based on evidence, good regulatory practice, and community values and aspirations.

The directions paper has been developed to provide Territorians and key stakeholders an opportunity to have their say on the development of the Northern Territory Strategic Water Plan. The directions paper sets out 10 proposed directions for water security in the Territory:

1. Water governance is contemporary and coordinated (Laws)
2. Drinking water is safe. (Good water)
3. Water use is efficient and productive. (Water & Money)
4. Water supports jobs and economic growth. (Jobs)
5. Cities, towns and communities use the whole water cycle. (Community)
6. Aboriginal connections to water are valued. (Culture)
7. Water-dependent environmental values are protected. (Country)
8. Water science, knowledge, skills and innovation are enhanced. (Thinking)
9. Territorians are engaged in water stewardship. (Leaders)
10. Water resources management can adapt to change. (Climate)

The deputation in particular, allows the office to discuss with the Local Authority Members who represent their communities in regional and remote areas and obtain their feedback and input.

LGANT Motion at November General Meeting in Alice Springs

"LGANT supports municipal and Regional Councils engaging in the NT Water Strategy Directions Paper consultation process (2021-Feb 2022) and contributing to local community engagement efforts in the development of both local and NT Government Water Policy".

Request for Regional Council Support

'Council to work with the NTG and water consultants to ensure adequate information and support is provided to Local Authorities to enable their engagement in the water consultations and their perspectives are collated for inclusion in a submission to the NT Strategic Water Plan consultation process.'

Council approved the motion at the December Ordinary Meeting.

The consultation will be facilitated by Jimmy Cocking, Principal Consultant for Northern Possibilities working with the NT Government Department of Environment, Parks and Water Security Regional Director John Gaynor

The key questions Local Authority members are being asked are to consider for their Local Authority are:

- Why is water important to you?
- What worries you about water?
- What do you need to know about water?
- What jobs/business are you interested in?
- What does the government need to know?
- What needs to happen to make things better?
- How can we do this together?

LOCAL AUTHORITY REPORTS AND CORRESPONDENCE

ITEM NUMBER 9.1
TITLE Mandatory COVID-19 Vaccination for Local Authority Members
REFERENCE - 309453
AUTHOR Barbara Newland, Manager Governance and Compliance

LINKS TO STRATEGIC PLAN
Goal 02: Healthy Communities

EXECUTIVE SUMMARY:
On 13 October 2021 the Chief Health Officer (CHO) issued COVID-19 Directions (No.55) 2021 (the Direction) in which it was announced that it was mandatory for certain workers in the Northern Territory to have received COVID-19 vaccine to be able to continue working in the same role. This Direction also applied to the Elected Members of MRC and the Appointed Members of MRC's Local Authorities.

RECOMMENDATION
That the Local Authority:

1. **notes the report Mandatory COVID-19 Vaccination for Local Authority Members;**
2. **notes that appointed Authority Members will not be able to attend future meetings of the Authority unless they are fully vaccinated; and**
3. **urges all appointed Authority Members to provide evidence of their vaccination status as soon as possible and before the next Authority meeting.**

BACKGROUND
The Direction issued on 13 October 2021 required that by:

- 13 November 2021, a worker who had not received at least one dose of an approved COVID-19 vaccine must not attend their workplace; and
- 25 December 2021, a worker who had not received two doses of an approved COVID-19 vaccine must not attend their workplace.

Regional Councils were explicitly listed by the Chief Health Officer's Direction as being employers who must ensure that their employees were vaccinated by the prescribed dates. In response to this Direction MRC took all steps necessary to ensure its workforce complied and was fully vaccinated.

Advice received from the Department of the Chief Minister and Cabinet has confirmed, for the purposes of the Direction, that Elected Members and members of Local Authorities, Council Committees and Audit Committees are to be included in the Direction.

Action was taken in 2021 to ensure that all Elected Members were fully vaccinated and all Members have provided evidence of their vaccination status.

MRC must now ensure that all Local Authority Members are fully vaccinated in accordance with the CHO Direction. Members are asked to provide evidence that they are fully vaccinated to their relevant Service Delivery Coordinator as soon as possible but most certainly before the next meeting of the Local Authority.

ISSUES, CONSEQUENCES, OPTIONS

Failure to provide evidence of vaccination status will possibly result in the automatic termination of the Local Authority member's appointment to the Authority.

LOCAL AUTHORITY REPORTS AND CORRESPONDENCE

ITEM NUMBER	9.3
TITLE	Local Authority engagement with the development of the 2022-2023 Regional Plan

AUTHOR	Barbara Newland, Manager Governance and Compliance

LINKS TO STRATEGIC PLAN
Goal 01: Developing Communities

EXECUTIVE SUMMARY:
The Regional Plan is developed every year after consultation with MacDonnell Regional Council's (MRC) communities and directs how we will deliver our vision, mission and goals. The Regional Plan guides MRC staff to deliver on our mission *to improve the lives of Council residents by delivering valued and relevant services.*

The Local Authority is asked to guide and support MRC staff in the development of the 2022-23 Regional Plan.

RECOMMENDATION
That the Imanpa Local Authority:

a) notes and accepts the report; and
b) provides guidance and support for MRC staff in the development of the MRC 2022-23 Regional Plan.

BACKGROUND
In past years much engagement and consultation was entered into with Local Authorities in the development of Regional Plans. In the current COVID-19 climate travel to MRC's communities is not possible which greatly inhibits our ability to conduct meaningful conversations. Most would appreciate the difficulties experienced in having to engage in meetings held via zoom.

The document attached is an extract from the Regional Plan 2021-22 which shows the Goals Council aimed to achieve this year. They are:

- Council Goal #1 Developing Communities
- Council Goal #2 Healthy Communities
- Council Goal #1 Empowered Communities
- Council Goal #1 A Supportive Organisation

In order to achieve those Goals Council set many Objectives and worked out Strategies to meet the Objectives. It then determined how and when it wanted the Strategies completed (the Key Performance Indicators).

The reason for having these Goals, etc., is so that we can fulfil the vision of MacDonnell Regional Council: ***"many voices, one dream - building a quality desert lifestyle"***

Members need to review the attachment and consider the following questions:

- Are the Goals still what we want to aim for?
- Are there better/other ways of achieving these Goals – do we need different Objectives?

- Are there issues affecting the Imanpa community that are not reflected in the current Regional Plan?
- What do you want to see included in the Regional Plan?

MRC is very keen to hear and listen to the voices of the Imanpa Community. Any input Local Authority members can provide is invaluable in the development of next year's Regional Plan.

ISSUES, CONSEQUENCES, OPTIONS

It is a requirement under Section 33(1) of the *Local Government Act 2019* that all regional council must have a plan for its area – the regional plan. Furthermore, s34(c) states that the Regional Plan must take into account the projects and priorities for the area identified by a local authority.

FINANCIAL IMPLICATIONS

The projects and priorities established in the Regional Plan will be considered in determining the Budget for 2022-23.

ITEM NUMBER 9.4
TITLE Local Authority Projects
REFERENCE - 309233
AUTHOR Gaurab Ghimire, Governance Administration Officer

LINKS TO STRATEGIC PLAN
Goal 01: Developing Communities
Goal 03: Empowered Communities

EXECUTIVE SUMMARY:
Funding for Local Authority projects is part of a grant received from The Department of Chief Minister and Cabinet *(DCM&C)* and invested in projects to benefit and improve the community.

Examples of *acceptable* purposes for expenditure include:

- Repairs and maintenance of community assets controlled or owned by the council. For example - office upgrades, fencing, solar lighting, road repairs and ablution facilities.
- Acquisition of plant and equipment directly related to local government service delivery. For example - trailers, garden maintenance equipment such as brush cutters, lawn mowers and pressure cleaners, rubbish bin enclosures /stands.
- Upgrade/enhancement of community sporting facilities. For example upgrade of community ovals, basketball courts and playgrounds, shade structures, picnic areas, seating and park furniture, tree planting and irrigation.
- Festivals or other events – but must only be conducted within a council's own Local Authority area.

As part of Imanpa's 2021/2022 Project funds grant, the Department of Chief Minister and Cabinet have released an allocation of $ 24,000.00 towards community projects.

There is total un-committed balance of $ 43,326.58 to allocate in the community.

$ 19,326.58 is from the 2020/2021 grant and must be fully expended by 30 June 2022.

$ 24,000.00 if from the 2021/2022 grant and must be fully expended by 30 June 2023.

RECOMMENDATION
That the Imanpa Local Authority

a) notes and accepts the progress of their projects;
b) notes the release of the allocation of the 2021/2022 Project funds;
c) approves the closure of any completed projects

BACKGROUND
The Local Authority decides on the allocation of their Project Funds for infrastructure projects to benefit the community. Funding for Local Authority projects is part of a grant received from the Department of Chief Minister and Cabinet.

Local Authorities must formally resolve each initiative this funding will be used for.

ITEM NUMBER 9.5
TITLE Discretionary Funds
REFERENCE - 308971
AUTHOR Gaurab Ghimire, Governance Administration Officer

LINKS TO STRATEGIC PLAN
Goal 02: Healthy Communities
Goal 03: Empowered Communities

EXECUTIVE SUMMARY:
Each financial year, MRC grants a discretionary fund allocation of $4,000.00 to the Local Authority.

The Local Authority decides how best to commit these funds that will benefit the Community and improve Community development.

Discretionary Funds cannot be carried over from year to year and must be spent (with goods received) between 1 July and 30 June.

RECOMMENDATION
That the Imanpa Local Authority:

a) notes the spending of its 2020/2021 Discretionary funds; and
b) notes and discusses the spending of its 2021/2022 Discretionary Funds.

BACKGROUND

Balance of funds remaining			**1,594.11**

ISSUES, CONSEQUENCES, OPTIONS
Local Authorities decide how to best spend this money to broadly benefit the community. The Local Authority is responsible for consulting with community members to ensure that community priorities are taken into account when allocating discretionary funds.

Examples that Discretionary funds can be used for:

- Community Christmas and New Year's Festivity
- Community BBQ's
- Sports weekends
- NAIDOC Celebration

FINANCIAL IMPLICATIONS
There is a current balance of $1,594.11 to spend before 30 June 2022.

This money cannot be carried over from one financial year to the next and must be fully expended between 1 July and 30 June annually or the funds forfeited.

MacDonnell Regional Council

Service Delivery Report

TITLE Imanpa Service Delivery Report
DATE 23rd December 2021
AUTHOR Cherry-lee Bilston - Council Service Coordinator

SUMMARY:

This report is an update of Council delivered services in Imanpa across the area of Local Government Service Delivery.

Local Government Services Update

Animal Management

- The Vets last visited Imanpa on 3-4th November 2021
- All animals, dogs, cats and camel, were treatment on the last visit
- Imanpa has had a slight increase in animal population due to untreated dogs being brought in from other communities (contraceptive)
- The next visit from the Vets has not been advised at this stage
- CSC has been in contact with the vets and are waiting for a number of educational pamphlets and information sheets to arrive in the mail to display around community in the lead up to the next vet visit.

Cemetery Management

- There were no funerals held at the Imanpa Cemetery this period.
- Council are working with a monthly maintenance schedule for the Imanpa cemetery to keep it neat and tidy.
- Works are ongoing to mark out a designated car park at the front of cemetery
- CSC has updated the cemetery register and has noticed a few unmarked graves. CSC is currently working with community to go over the current register see if any updates or changes are needed through local knowledge.

Internal Road Maintenance

- Bollards have been used to close of numerous short cuts used around the community to increase the safety of our internal roads.
- Ongoing regular road sweeping has been increased to keep up with the increase of motorbike and car use – keeping the roads clear of rocks and dirt.

Awaiting materials for projects/works including:

- Renewal/replacement of old or missing road signs
- Plans to remove old bitumen speed bumps and replace with rubber speed bumps
- Removal of big rocks lining the road/s and replacing with bollards or a fence to increase the safety of internal roads.
- Car parking bays to be marked at the front of Imanpa Store
- New visitor car park to be established in the empty lot across from MRC office

- New car park / parking bays to be established at the community laundry block as per the LA footpath project.

Parks and Open Spaces

- General maintenance undertaken each fortnight.
- Regular hard rubbish clean-ups are ongoing Imanpa parks and open spaces free of large, unsightly mess.
- D.Mumu Park requires some maintenance on playground equipment.
- CSC and civil team exploring options for fruit trees and native plants to continue planting around the community.
- Council staff are encouraging community members to take their old vehicles down to the car graveyard before stripping them of tyres and parts to reduce the number of cars lying around community.

Sports Grounds

- Regular maintenance has been resumed at the footy oval to ensure it is safe for the kids
- Repairs to be made to the football oval fence.
- Designated parking to be marked out at both sporting grounds.

Waste Management

- General rubbish collection twice a week Mondays and Thursdays unless it's a public holiday.
- Daily community rubbish pick-ups.
- On-going weekly hard-rubbish collections
- New waste drop off bays have been established at the waste management facility and are now awaiting the news signs to arrive.
- Bin stands are waiting to be installed at the new properties and council office
- New wheelie bins have been ordered to replace many of the old broken ones – awaiting delivery

Weed Control and Fire Hazard Reduction

- Increased fire hazard this period due to amount of dry grass from past rains.
- General firebreak around community has been completed
- Regular yard maintenance is ongoing for all council and community owned buildings to reduce fire hazard and other risks.

Local Authority Updates

Project 1 – Walkway from School to shop

- Planning for the foot path from school to store has been completed and verified with the infrastructure team.
- Stage 1 of the project (obtaining quotes) will need to be restarted as all quotes have now expired.

Project 2 - Shade Shelter at Basketball court with 2 table and bench seatings

- Bench seating installed
- Tables to be installed once the shade structure is complete.
- CSC proposes that the Local Authority use spare funding to hire external contractors to finish building the shade structure at the basketball court and at lot 107. Two quotes were brought to the table at the previous LA meeting – one for $18,000 and one for $20,000. A third quote from Firm build has been set at $10,000 (subject to change). LA to make final decision on whether they would like to spend the funding on getting this works complete.

Project 3 - Table, seats and shelter at lot 107

- As above
- Shelter floor to be concreted
- Table and chairs ready to be installed after the completion of shelter roof and floor is concreted

Project 4 - Shade at Rec Hall

- Shade cloth purchased, delivered and installed by the civil team. Close project.

Project 5 (Youth Board Support)

- Netting for mini AFL oval purchased and waiting to be installed by the civil team.
- Movie projector purchased for MacYouth & NPY to use at the rec hall for movie nights with the kids. To be collected from Harvey Norman at the end of December – close project.

Project 6 (Fence at Imanpa Church)

- CSC has obtained quotes for a fence approximately 40m x 35m – 1500cm high (chest height) chain mesh with 1 x pedestrian gate and 1 x double gate for hearse access.
- Current quotes from 'Complete Fencing' are at $12,687.25 for the fencing kit alone and $23,153.43 for fence kit and install done by CF.
- CSC to gain a further 2 x quotes from other suppliers for consideration.

Other Updates

The 2021 Local Authority Christmas Party was held on the 9th December. This celebration had a great turn out with families and friends coming together for a lovely night of games, fun and yummy food! A big thank you to the LA council members for funding this community event and even bigger thank you to the council workers and volunteers who dedicated so much time and effort to make it happen!

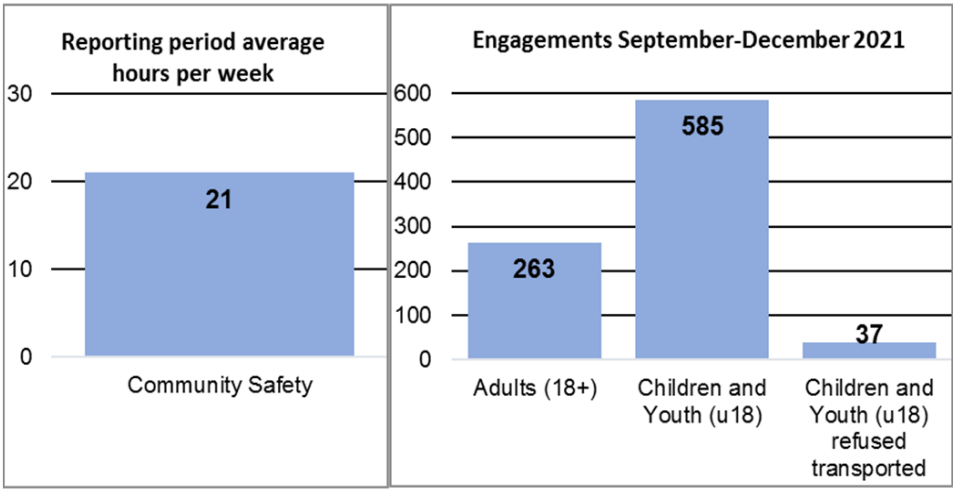
COMMUNITY SAFETY

Service Delivery and Engagement

- Community Safety services were disrupted for 20 days during this reporting period due to: Sorry Business, vehicle issues; staffing shortages and community unrest.



Other Updates

- There has been ongoing community unrest in Imanpa, which at times has meant the Community Safety Patrol service could not run. It is important for community members to remember that while MacSafe's business is community safety, we will not jeopardise the safety of our staff at all costs.
- MacSafe and MacCare provided First Aid and Fire Safety training in November. Twelve MRC employees attended, including two MacSafe staff, Ashley and Mareesha.
- The Imanpa MacSafe staff have completed their on-line Covid-19 training; and continue to practice safe hygiene processes and completing the healthy facility checks.
- Community Safety received funding from the NT Government to create Yarning Circle spaces in four communities, one of them being Imanpa. Coordinator Yarran Cavalier worked with the team to decide what they wanted and where; and in October, with the help of John from MacConnect, they created the new yarning Circle space. This is a wonderful opportunity for the community to gather and share stories over a cup of tea.

MACCONNECT

- MacConnect is MRC's Library service. One of the main roles is to teach Digital Literacy to staff and community members. The MacConnect Project officer, John Chisholm, plans to spend three weeks in a row, in each of the MRC communities.
- Topics of learning include:
    - accessing e-Government services such as MyGov;
    - learning to use devices eg phones and tablets (iPads);
    - safely using a range of Social Media; and information searching for personal or work purposes.
- John visited Imanpa during October and November. As this was during the Vaccine Mandate time, he helped a lot of Imanpa residents to access their vaccination records. Due to the privacy issues associated with access to MyGov, My Health Record and Medicare online, this involved working one on one with those who needed assistance.
- John ran two story-time sessions at the Primary School, where he read story books to the children. He also introduced the students and teaching staff to MacConnect; and to the digital library service available to residents of MRC. The sessions were well received and the students were engaged by the storytelling and the discussions on finding trustworthy resources online.
- The staff at Nyangatjatjara College also welcomed a visit, however there were no students on site when MacConnect visited.
- While in Imanpa, the MacConnect Project Officer worked with MacSafe staff planning for and setting up the new Yarning Circle. This was a good opportunity to get to know local staff by assisting in a project that staff were engaged in. There were also visits to speak with staff at MacCare & the Council Offices. The MacConnect Project Officer gave assistance to staff to resolve some minor IT issues and give staff some suggestions about ways to troubleshoot minor issues.

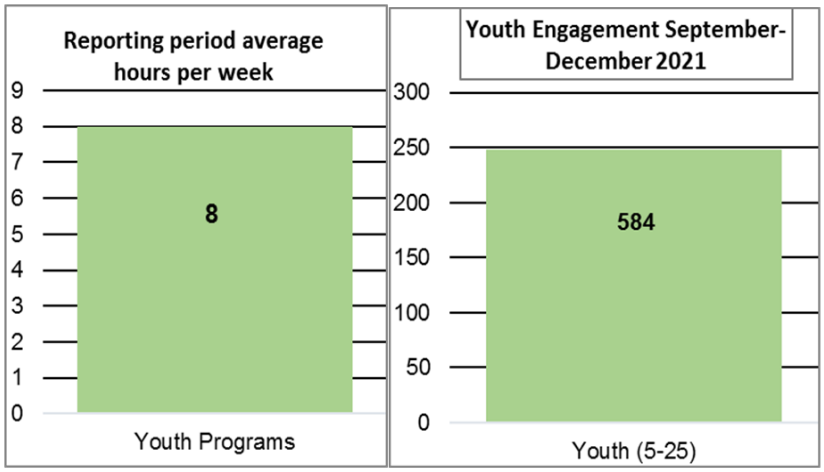
YOUTH SERVICES

Service Delivery and Engagement

- The remote sports program has been disrupted by a lack of staff and staff attendance due to sorry business.
- During the Remote Sports Program young people enjoyed, Basketball, Soccer, Bush Cooking and AFL.
- An average of 8 youth a day attended Youth Program across the 65 days of program in this period.
- Ashley Wiseman continues his dual role with MacYouth (as a casual worker) and has been the Team Leader of the MacSafe program for over 10 years.
- Programs are delivered alongside Ngaanyatjarra, Pitjantjatjara and Yankunytjatjara (NPY) Women's Council's program with assistance by their youth team members.



Other Updates

- On September 2nd the MacYouth Remote Sports Co-Ordinator, in support of the Ngaanyatjarra, Pitjantjatjara and Yankunytjatjara (NPY) Women's Council teams from Docker River, Mutitjulu and Finke ran a highly successful Softball Competition in Imanpa with over 35 youth in attendance.
- On September 30th, Imanpa represented the Southern Cluster of the MacYouth Regional Softball Final held at Hermannsburg Community. Four other communities were in attendance with Imanpa being highly competitive.
- The basketball rings on the basketball court have been upgraded and are being used almost daily,

AUTHOR Anusha Niro, Quality Assurance Officer

LINKS TO STRATEGIC PLAN
Goal 01: Developing Communities
Goal 02: Healthy Communities
Goal 03: Empowered Communities
Goal 04: A Supportive Organisation

EXECUTIVE SUMMARY:
The expenditure report shows spending until 31 December 2021 in the Local Authority community.

RECOMMENDATION
That the Imanpa Local Authority notes and accepts the Expenditure Report as at 31 December 2021.

BACKGROUND
The attached Finance Report details the budget, variance, and actual expenditure on Council services in the community.

ISSUES, CONSEQUENCES, OPTIONS
The Local Authority Project funding is to be expended within 2 years of receipt of the funding otherwise failure to do so may result in the Department withholding any future payments of Local Authority Project Funding or request for unspent funding to be repaid. As an example any funds prior to the 2019-20 financial year need to be spent.

FINANCIAL IMPLICATIONS
The attached report details the expenditure for the Local Authority which is part of the full Council's approved budget.

Date raised	Issue	Detail
4 Feb 2021	ATM in store	Res.018 - The Local Authority have requested that the Representative from DCMC inquire with Outback Stores to see why the ATM in the Imanpa Store does not dispense cash. The Representative agreed to follow up and suggested to the Local Authority that the Imanpa General Store Committee invite a Senior Manager from Outback Stores to the next LA meeting to answer their questions regarding the ATM.
15 April 2021		Representative advised that the Community Store Group should raise this question with Outback Stores to ensure their questions are answered correctly. An update has not been provided since April as the July meeting of the Authority was cancelled due to sorry business.

21 Oct 2021	Health Clinic	Res.055 - The Local Authority request a response on why the clinic's services were reduced to four hours per week and when full services will be returned. They request that the current hours be extended and are disappointed that they are not getting support from NT Health with medical, emergency/critical issues and would like the Representative to investigate what the possibility or procedure would be for Congress to take over the running of the clinic. After hearing from the Local Authority that there were considerable time delays in the response from nursing staff for critical emergencies in Community, the Representative from the Office for Warren Snowden's office advised that he would also follow up as critical emergencies should always be treated as a priority.
21 Oct 2021	School	Res.055 - The Local Authority asked the Representative from the DCM&C if they could find out why the school closed on some of the school days. The Representative advised that as it was independently owned, he would contact Nyangatjatjara College for a response.
