Local Authorities Overview:

Local Authorities are composed of community members and convene **four times per year** to discuss:

- Council service delivery
- Project funding and progress
- Community project ideas

Functions of Local Authorities (as per the Local Government Act 2019, Section 78):

- Engage communities in local government issues
- Provide a platform for community opinions
- Influence local, regional, and area-wide policy development
- Represent and advocate for community views to the council
- Contribute to regional planning
- Make recommendations on council budgets and local matters
- Carry out additional functions as assigned by the Minister

This framework ensures that Local Authorities act as a conduit between communities and Council, fostering inclusive governance and informed decision-making

ISSUES, CONSEQUENCES, OPTIONS

Council's Local Authority Meeting Procedure, para.4.14: Nominations and Appointments states:

- a) nominations will be tabled at the next local authority meeting and considered. A recommendation on the nominations to Council will be recorded and presented with the nomination forms at the next Council meeting.
- b) in the case that there is a nomination, or nominations submitted but no timely local authority meeting (that is before the next council meeting), nominations will still be presented to the next Council meeting. The Council may appoint based on the submitted nominations.

FINANCIAL IMPLICATIONS

If Local Authorities do not maintain their membership numbers, their ability to make quorum for their meetings is impaired and they may not be able to commit funds to Community projects and events.

All members must attend at least 75% of the Local Authority meeting to qualify for the meeting allowance.

For non-employees of Council, the allowance is usually paid on Friday, after a meeting. For Local Authority Staff, you may be eligible for the allowance at the next scheduled pay date of MRC.

6 ACCEPTANCE OF THE AGENDA

ITEM NUMBER 6.1
TITLE Acceptance of Agenda

EXECUTIVE SUMMARY

Agenda papers are submitted for acceptance by the Members for this Local Authority Meeting.

RECOMMENDATION

That the agenda papers for this Local Authority meeting as presented, be received for consideration at this meeting.

7 CONFLICT OF INTEREST

ITEM NUMBER	7.1
TITLE	Conflict of Interest

EXECUTIVE SUMMARY

This report outlines the minimum standard of behaviour expected of the Local Authority in relation to declaring personal or family financial interest that may impact on the performance of their roles and ability to make objective decisions.

RECOMMENDATION

That the Local Authority:

- a) notes the Conflict of Interest Policy; and**
- b) that members declare any conflicts of interest.**

BACKGROUND

Conflicts of interest arise when members are influenced, or appear to be influenced, by personal interests when doing their jobs. The perception of a conflict of interest – the way it seems to the public - can be as damaging as an actual conflict, because it undermines public confidence in the integrity and fairness of MacDonnell Regional Council (MRC).

Under the *Local Government Act*, not declaring a conflict of interest or improperly disclosing information can lead to imprisonment.

Examples of conflicts of interest and improper disclosure of information:

Tendering and Purchasing – financial conflict of interest

- Example: Council has advertised for a contractor for irrigation of a football oval. A member is employed by a company which has tendered for the contract. This may affect, or it may reasonably be suspected that it could affect, their ability to make an unbiased or fair decision when the contract choice is considered by Council.

Tendering and Purchasing – non-financial conflict of interest

- Example: A contractor tendering for a Council contract for road works offers to seal the road to a member's house. The member would not be seen as impartial or fair when choosing the contractor for the job.

Information and Opportunities

- Example: a member may know a lot of information about tenders for contracts coming up in the MRC area before the tenders are made public. Conflicts can arise if the member gives this information to a friend or relative working for a company so they can have a better chance of winning the contract.

Undue Influence

- Example: a member tries to pressure a hotel in Alice Springs into providing free accommodation, because they are a member of Council.

Declaring a Conflict of Interest

As soon as practical after a member becomes aware of a conflict of interest in a matter that has come up or is about to come up before or during a meeting (council, local authority or council committee), the member must disclose or tell the relevant interest to the meeting and to the Chief Executive Officer (CEO) of MRC.

Docker River Local Authority Meeting 22 July 2026 – Agenda

Details of members' interests and the nature of those interests will be recorded in the relevant Register of Interests published on the Council's website and to be available for any member of the public to look over at the Council's public office.

In addition, if a member enters into a personal or business relationship with another member or Council employee that could result in a conflict of interest, then this relationship must be reported to the President and CEO. A file note will be made and recorded on the relevant Register of Interests.

Uncertainty about whether a conflict of interest exists or not

If a member is unsure whether or not they have a conflict of interest, they should give full details to the CEO or seek independent legal advice.

The CEO does not have a responsibility to decide whether or not a member has a conflict of interest in a matter. The responsibility for determining whether a member has a conflict of interest is up to the individual member.

If you do have a Conflict of Interest

After a member has disclosed the nature of the interest, the member must not, without approval from the Minister:

- be present during any discussion of the meeting when the matter is being discussed
- take part in any decision related to the matter
- Influence another member in their decision.

Members will not become involved in the promotion or endorsement of products and/or services unless this has been approved in line with Council's policies and Code of Conduct.

Complaints Regarding Failure to Disclose an Interest

Any person may make a complaint that a member has or may have failed to disclose or tell of a conflict of interest. All complaints should be directed to the MRC CEO.

ISSUES/OPTIONS/CONSEQUENCES

The Disclosure of Interests Policy helps Council to ensure that:

- the business of Council is conducted with efficiency, fairness, and integrity; and
- members act in the best interests of Council and do not seek personal or family gain when performing their duties or use their public office for personal gain.

28-Jul-25	Res.044 - The meeting noted the quote of \$55,000.00 to remove playground, build up the park area and reinstall playground was too excessive and members instead, requested that the contractor be contacted to provide a revised quote to uplift the playground and move it away from where the water is pooling.

29-Apr-26	Res.021 - The LA noted the advice from the Director Council Services and with the following decisions made: - o not to proceed with the development of a new playground near the former Aged Care site, as the timeframe associated with securing a lease and engaging contractors would be lengthy, and the overall costs prohibitive. - o to retain the current playground location and equipment at Lasseter's Park, noting that flooding within the park occurs infrequently. - o In the event of flooding, the Civil Team will be responsible for closing the park, excavating trenches to divert the water, or pumping out the excess water as required. - o to rename this project 'Maintenance and flood management to Lasseter Park' - o requested that the PMO Office liaise with the CSC to procure a suitable pump capable of managing the debris and water associated with the park flooding.

ISSUES, CONSEQUENCES, OPTIONS

Examples of unacceptable purposes for Expenditure include:

- Purchase of vehicles and fuel expenses.
- Payment of salaries, cash prizes or recurrent operating costs of Council.
- Meeting costs and payments to Local Authority members.
- Sponsorship by way of uniforms, travel costs and allowances.

Purposes that are not related to local Government Services and that should be addressed by another Government agency.

FINANCIAL IMPLICATIONS

The purchase of any product or service must comply with MRC's Procurement Policy.

Funds from the Grant must be fully expended within two years, or in the case of major projects, within four years of receipt of funding. Failure to expend the funds may result in the funds being returned to the Northern Territory Government.

FINANCIAL IMPLICATIONS

The use of funds must be approved at a Local Authority meeting with a full quorum, or a form signed by more than half of the active Local Authority members.

13 NON-COUNCIL BUSINESS ITEMS

ITEM NUMBER	13.1
TITLE	Non-Council Business
AUTHOR	June Crabb, Coordinator Governance

LINKS TO STRATEGIC PLAN

Goal 01: Strong Community Leadership and Shared Decision-Making
 Goal 02: Liveable, Healthy and Inclusive Communities
 Goal 03: Resilient Infrastructure, Roads and Essential Community Assets
 Goal 04: A Strong, Accountable and Sustainable Organisation

EXECUTIVE SUMMARY

The purpose of this report is to provide members with the opportunity to raise matters relating to Non-Council Business.

The purpose of this report is to provide members with the opportunity to raise matters in relation to services provided by the Northern Territory Government and its external Stakeholders.

This may include:

- Roads outside of MRC's area
- Education
- Health
- NT Police
- Land Management
- Other services provided by external stakeholders

RECOMMENDATION

That the Local Authority:

- a) notes the updates on previous matters; and
- b) raises and discusses new matters of Non-Council Business.

BACKGROUND

The Department of Housing, Local Government and Community Development provides updates in regard to Northern Territory Government Services.

Meeting	Officer/ Organisation	Subject
Docker River Local Authority 22/10/2025	DLGHCD	Housing Maintenance
04-Feb-26 DRLA2026-14 Members requested that a Housing Representative visit community to speak with residents and assess their housing conditions, noting that four properties had sustained considerable damage from feral camels and have remained unoccupied for several months, despite being tenanted. The affected properties included: ○ Lot 124 ○ Lot 153 ○ Lot 160 ○ Lot 162		
20-Feb-26: Update from Shelly Beattie – Manager of Community Development - Department of Housing, Local Government and Community Development.		

Docker River Local Authority Meeting 22 July 2026 – Agenda

Housing Property Services have reviewed each of the identified lots, with the following status updates:

Lot 124 – R&M raised 22/12/2025; no further issues reported.

Lot 153 – R&M raised 21/01/2026 and 05/02/2026; inspection completed 05/02/2026.

Lot 160 – R&M raised 04/02/2026.

Lot 162 – No contact received from the tenant regarding maintenance.

It appears that lack of tenant contact is contributing to delays in several cases. The Housing Property Services Manager will arrange for the Housing Maintenance Officer to attend community as soon as road access allows, with a request to review all listed dwellings and capture any unreported issues.

If we can continue encouraging tenants to report repairs directly by phoning 1800 104 076, that will assist with timely responses.

In addition, Housing now has a new reporting system in which tenants reporting issues can request a reference number. This will assist with tracking the progress on issues that have been reported.

Res.026 – Elected to keep open, noting that a Representative was intending to visit community to assess the houses and capture unreported issues.

Members also requested that Housing organise a ‘pop-in shop’, allowing residents to speak with a representative in person.

Noted that an HRG meeting was scheduled for the 8th July 2026.

Meeting	Officer/ Organisation	Subject
Docker River Local Authority 29/06/2026	DLGHCD	Damaged and Lost Power Cards
29-Apr-26 DRLA2026-26		
Members requested information on how residents apply for replacement power cards when they are lost or damaged.
