Local Authorities Overview:

Local Authorities are composed of community members and convene **four times per year** to discuss:

Imanpa Local Authority Meeting 19 August 2026 – Agenda

- Council service delivery
- Project funding and progress
- Community project ideas

Functions of Local Authorities (as per the Local Government Act 2019, Section 78):

- Engage communities in local government issues
- Provide a platform for community opinions
- Influence local, regional, and area-wide policy development
- Represent and advocate for community views to the council
- Contribute to regional planning
- Make recommendations on council budgets and local matters
- Carry out additional functions as assigned by the Minister

This framework ensures that Local Authorities act as a conduit between communities and Council, fostering inclusive governance and informed decision-making

ISSUES, CONSEQUENCES, OPTIONS

Council's Local Authority Meeting Procedure, para.4.14: Nominations and Appointments states:

- a) nominations will be tabled at the next local authority meeting and considered. A recommendation on the nominations to Council will be recorded and presented with the nomination forms at the next Council meeting.
- b) in the case that there is a nomination, or nominations submitted but no timely local authority meeting (that is before the next council meeting), nominations will still be presented to the next Council meeting. The Council may appoint based on the submitted nominations.

FINANCIAL IMPLICATIONS

If Local Authorities do not maintain their membership numbers, their ability to make quorum for their meetings is impaired and they may not be able to commit funds to Community projects and events.

8 CONFLICT OF INTEREST

ITEM NUMBER	8.1
TITLE	Conflict of Interest

RECOMMENDATION

That the Local Authority:

- a) notes the Conflict of Interest Policy; and**
- b) that members declare any conflicts of interest.**

BACKGROUND

Conflicts of interest arise when members are influenced, or appear to be influenced, by personal interests when doing their jobs. The perception of a conflict of interest – the way it seems to the public - can be as damaging as an actual conflict, because it undermines public confidence in the integrity and fairness of MacDonnell Regional Council (MRC).

Under the *Local Government Act*, not declaring a conflict of interest or improperly disclosing information can lead to imprisonment.

Examples of conflicts of interest and improper disclosure of information:

Tendering and Purchasing – financial conflict of interest

- Example: Council has advertised for a contractor for irrigation of a football oval. A member is employed by a company which has tendered for the contract. This may affect, or it may reasonably be suspected that it could affect, their ability to make an unbiased or fair decision when the contract choice is considered by Council.

Tendering and Purchasing – non-financial conflict of interest

- Example: A contractor tendering for a Council contract for road works offers to seal the road to a member's house. The member would not be seen as impartial or fair when choosing the contractor for the job.

Information and Opportunities

- Example: a member may know a lot of information about tenders for contracts coming up in the MRC area before the tenders are made public. Conflicts can arise if the member gives this information to a friend or relative working for a company so they can have a better chance of winning the contract.

Undue Influence

- Example: a member tries to pressure a hotel in Alice Springs into providing free accommodation, because they are a member of Council.

Declaring a Conflict of Interest

As soon as practical after a member becomes aware of a conflict of interest in a matter that has come up or is about to come up before or during a meeting (council, local authority or council committee), the member must disclose or tell the relevant interest to the meeting and to the Chief Executive Officer (CEO) of MRC.

Imanpa Local Authority Meeting 19 August 2026 – Agenda

Details of members' interests and the nature of those interests will be recorded in the relevant Register of Interests published on the Council's website and to be available for any member of the public to look over at the Council's public office.

In addition, if a member enters into a personal or business relationship with another member or Council employee that could result in a conflict of interest, then this relationship must be reported to the President and CEO. A file note will be made and recorded on the relevant Register of Interests.

Uncertainty about whether a conflict of interest exists or not

If a member is unsure whether or not they have a conflict of interest, they should give full details to the CEO or seek independent legal advice.

The CEO does not have a responsibility to decide whether or not a member has a conflict of interest in a matter. The responsibility for determining whether a member has a conflict of interest is up to the individual member.

If you do have a Conflict of Interest

After a member has disclosed the nature of the interest, the member must not, without approval from the Minister:

- be present during any discussion of the meeting when the matter is being discussed
- take part in any decision related to the matter
- Influence another member in their decision.

Members will not become involved in the promotion or endorsement of products and/or services unless this has been approved in line with Council's policies and Code of Conduct.

Complaints Regarding Failure to Disclose an Interest

Any person may make a complaint that a member has or may have failed to disclose or tell of a conflict of interest. All complaints should be directed to the MRC CEO.

ISSUES/OPTIONS/CONSEQUENCES

The Disclosure of Interests Policy helps Council to ensure that:

- the business of Council is conducted with efficiency, fairness, and integrity; and
- members act in the best interests of Council and do not seek personal or family gain when performing their duties or use their public office for personal gain.

Imanpa Local Authority Meeting 19 August 2026 – Agenda

Meeting	Officer/Director	Section	Subject
Imanpa Local Authority 03/07/2025	DLGHCD		Demolish the old store
ILA 2025-036 – Demolish the old store			
b) raised that the community would like the old store building demolished as it is unstable and members are worried that kids may be harmed			
5/11/2025 - Update from Tom King, Director Community Development CA			
Members are asked to provide additional information:			
• Store location • Who operated the store prior • What are the lease arrangements in place			
19/11/2025 - ILA2025-65			
This building, located next to the existing store, was originally used as the Community Store, before operations were relocated to its current premises. It later functioned as an Art Gallery, but the building has since fallen into disrepair and is now unsafe. Members are unsure as to who may hold the lease and have asked if this can be investigated.			
20/04/2026 Response from Dee McCorkindale – Department of Housing, Local Government and Community Development			
The old store is located on Lot 99 and is not leased so the asset is owned by the landowner, Imanpa Development Association [IDA].			

Meeting	Officer/Director	Section	Subject
Imanpa Local Authority 19/11/2025	DLGHCD		Community Laundry
ILA 2025-65 – Community Laundry			
Members asked if the community laundry, located next to the existing store, could be bought up to standard and made useable. Members have asked if NTG could liaise with Outback Stores on whether they hold the lease to that block and what it would take to bring the laundry up to code and fitted out.			
20/04/2026 Response from Dee McCorkindale – Department of Housing, Local Government and Community Development			
The community laundry is also located on Lot 99 and is not leased so the asset is owned by the landowner, Imanpa Development Association [IDA].			

Meeting	Officer/Director	Section	Subject
Imanpa Local Authority 19/11/2025	DLGHCD		Lot number for Church
ILA 2025-65 – Lot number for Church			
Members request the Lot number for the Church on Waterhole Rd, to carry out repairs and upgrades.			
20/04/2026 Response from Dee McCorkindale – Department of Housing, Local Government and Community Development			
There is no lot number for the church – CLC are unsure why a lot number was not allocated at the time of surveying the community. Lot numbers are issued by NTG and would likely require a Development Application and associated fees.			
Adele McCorkindale asked CLC Leasing who would apply for the Development Application and received the following response:			
CLC Leasing response - it would be best for the Lutheran Church to apply for the Development Application (DA). IDA will be required to provide their consent as the landowner to NTG for the DA to progress.

- Community would benefit from a small shed with a wheelbarrow, shovel and rake placed inside to enable community members to come clean and communicate with their family members.

Internal Road Maintenance

- There are several areas around the community that require maintenance and a plan is in place to rectify these problems.
- Speed humps need fresh markings, again once the tractor is online, the road can be cleaned correctly and fresh markings and signage can begin

Maintenance of Parks and Open Spaces

- Parks and open spaces are being well used and are being well maintained by the civil team.
- Recent rains have pointed out some areas that need to be addressed where water is pooling

Weed Control and Fire Hazard Reduction

- Some out of season heavy rains have caused the grass to grow at a faster pace than normal. The civil team are trying to maintain the community areas as best they can with Whipper snippers, but more are needed, valuable time is lost with having to wait for batteries to charge, and old machines that require upgrading.

Sports Grounds

- The sports grounds are looking fantastic and were used for a double header of AFL and Softball.
- The Civil Team continue to move forward in their efforts and take pride in what they do which results in positive outcomes for the community, well done Civil Team.
