The Local Authorities are made up of local members. They have four (4) Local Authority meetings per year and discuss things like council service delivery, project funding, project ideas and progress, finances etc.

Functions of the Local Authority (Local Government Act 2019 section 78):

Haasts Bluff Local Authority Meeting 13 October 2026 – Agenda

- a) To involve local communities more closely in issues related to local government; and
- b) To ensure that local communities are given an opportunity to express their opinions on questions affecting local government; and
- c) To allow local communities a voice in the formulation of policies for the locality as well as policies for the area and the region; and
- d) To take the views of local communities back to the council and act as advocates on their behalf; and
- e) To contribute to the development of the relevant regional plan; and
- f) To make recommendations to the council in relation to:
 - (i) The council's budget; and
 - (ii) The part of the council's area within which the local authority performs its functions; and
- g) To perform other functions assigned to the local authority by the Minister, in accordance with any guidelines that the Minister may make.

ISSUES, CONSEQUENCES, OPTIONS

Council's Local Authority Meeting Procedure, para.4.14: Nominations and Appointments states:

- a) nominations will be tabled at the next local authority meeting and considered. A recommendation on the nominations to Council will be recorded and presented with the nomination forms at the next Council meeting.
- b) in the case that there is a nomination, or nominations submitted but no timely local authority meeting (that is before the next council meeting), nominations will still be presented to the next Council meeting. The Council may appoint based on the submitted nominations.

FINANCIAL IMPLICATIONS

If Local Authorities do not maintain their membership numbers, their ability to make quorum for their meetings is impaired and they may not be able to commit funds to Community projects and events.

When members attend at least 75% of a Local Authority meeting, they generally receive an allowance and for non-employees of Council, this is usually paid on the Friday after a meeting.

Council staff may receive the meeting allowance on the next scheduled pay date.

HBLA2026-30 RESOLVED (Dalton McDonald/Tutuma Jack)

That the Local Authority:

- a) noted the response to matters raised at previous meetings as follows:
 - Kellie Brahim advised that the clinic is currently opened twice a week by staff from the Papunya Clinic and emergencies are responded to through the Papunya Clinic. The main obstacle to opening the clinic in Haasts Bluff more often is a shortage of permanent nurses. This has been an issue since the beginning of COVID. NT health is working toward solving this by trying to recruit and train local people. A team from NT Health will visit the community next Tuesday to discuss employment and training opportunities. This was welcomed by the Local Authority. NT Health will communicate with Ngurratjuta before the visit. The Local Authority requested that NT Health speak with Jillian Kantawarra who was previously a nurse and find out if she is interested in returning to nursing.
 - Requested that Governance communicate connectivity issues to Ben Mooney at EasyWeb. People are being cut off during long phone calls. This is particularly an issue when contacting Centrelink as there are often long wait times on these phone calls which can last for more than 2 hours. In addition, connectivity is affected during storms.
 - Requested that the NTG representatives seek information on whether there are any plans to provide mobile coverage in Haasts Bluff; and
- b) discussed the following new matters raised for Non-Council business;
 - Requested the grading schedule for the Namatjira Kintore Link Road and the Kintore Road between Tanami Road and Papunya
 - Requested that the roads contractors be asked to contact Ngurratjuta prior to working on these roads to facilitate employment of local people to work on local roads.
 - Requested that Ngurratjuta be informed that the outstation roads are not in a good condition and require grading.

6 ACCEPTANCE OF THE AGENDA

ITEM NUMBER 6.1
TITLE Acceptance of Agenda

EXECUTIVE SUMMARY

Agenda papers are submitted for acceptance by the Members for this Local Authority Meeting.

RECOMMENDATION

That the agenda papers for this Local Authority meeting as presented, be received for consideration at this meeting.

7 CONFLICT OF INTEREST

ITEM NUMBER	7.1
TITLE	Conflict of Interest

EXECUTIVE SUMMARY

This report outlines the minimum standard of behaviour expected of the Local Authority in relation to declaring personal or family financial interest that may impact on the performance of their roles and ability to make objective decisions.

RECOMMENDATION

That the Local Authority:

- a) notes the Conflict of Interest Policy; and**
- b) that members declare any conflicts of interest.**

BACKGROUND

Conflicts of interest arise when members are influenced, or appear to be influenced, by personal interests when doing their jobs. The perception of a conflict of interest – the way it seems to the public – can be as damaging as an actual conflict, because it undermines public confidence in the integrity and fairness of MacDonnell Regional Council (MRC).

Under the *Local Government Act*, not declaring a conflict of interest or improperly disclosing information can lead to imprisonment.

Examples of conflicts of interest and improper disclosure of information:

Tendering and Purchasing – financial conflict of interest

- Example: Council has advertised for a contractor for irrigation of a football oval. A member is employed by a company which has tendered for the contract. This may affect, or it may reasonably be suspected that it could affect, their ability to make an unbiased or fair decision when the contract choice is considered by Council.

Tendering and Purchasing – non-financial conflict of interest

- Example: A contractor tendering for a Council contract for road works offers to seal the road to a member's house. The member would not be seen as impartial or fair when choosing the contractor for the job.

Information and Opportunities

- Example: a member may know a lot of information about tenders for contracts coming up in the MRC area before the tenders are made public. Conflicts can arise if the member gives this information to a friend or relative working for a company so they can have a better chance of winning the contract.

Undue Influence

- Example: a member tries to pressure a hotel in Alice Springs into providing free accommodation, because they are a member of Council.

Declaring a Conflict of Interest

As soon as practical after a member becomes aware of a conflict of interest in a matter that has come up or is about to come up before or during a meeting (council, local authority or council committee), the member must disclose or tell the relevant interest to the meeting and to the Chief Executive Officer (CEO) of MRC.

Haasts Bluff Local Authority Meeting 13 October 2026 – Agenda

Details of members' interests and the nature of those interests will be recorded in the relevant Register of Interests published on the Council's website and to be available for any member of the public to look over at the Council's public office.

In addition, if a member enters into a personal or business relationship with another member or Council employee that could result in a conflict of interest, then this relationship must be reported to the President and CEO. A file note will be made and recorded on the relevant Register of Interests.

Uncertainty about whether a conflict of interest exists or not

If a member is unsure whether or not they have a conflict of interest, they should give full details to the CEO or seek independent legal advice.

The CEO does not have a responsibility to decide whether or not a member has a conflict of interest in a matter. The responsibility for determining whether a member has a conflict of interest is up to the individual member.

If you do have a Conflict of Interest

After a member has disclosed the nature of the interest, the member must not, without approval from the Minister:

- be present during any discussion of the meeting when the matter is being discussed
- take part in any decision related to the matter
- Influence another member in their decision.

Members will not become involved in the promotion or endorsement of products and/or services unless this has been approved in line with Council's policies and Code of Conduct.

Complaints Regarding Failure to Disclose an Interest

Any person may make a complaint that a member has or may have failed to disclose or tell of a conflict of interest. All complaints should be directed to the MRC CEO.

ISSUES/OPTIONS/CONSEQUENCES

The Disclosure of Interests Policy helps Council to ensure that:

- the business of Council is conducted with efficiency, fairness, and integrity; and
- members act in the best interests of Council and do not seek personal or family gain when performing their duties or use their public office for personal gain.

10 NON-COUNCIL BUSINESS ITEMS

The purpose of this report is to provide members with the opportunity to raise matters relating to Non-Council Business.

BACKGROUND

The Department of Housing, Local Government and Community Development provides updates in regard to Northern Territory Government Services.

Haasts Bluff Local Authority 01/07/2026	EasyWeb	Raised at Non- Council Business	EasyWeb Free WiFi
01/07/2026 HBLA 2026-30 Requested that Governance communicate connectivity issues to Ben Mooney at EasyWeb. People are being cut off during long phone calls. This is particularly an issue when contacting Centrelink as there are often long wait times on these phone calls which can last for more than 2 hours. In addition, connectivity is affected during storms.			
8/7/2026 Response from Ben Mooney at Easyweb I understand the frustrations when long Centrelink calls are dropped. There can be a number of reasons why a call is dropped, it can be because the equipment we install has a problem but also there can be a problem at Centrelink's end. If residents are having a problem our help desk is able to troubleshoot issues that may be contributing to the drop outs. Our Helpdesk can be contacted on 1300 135 249 or helpdesk@easywebdigital.com			
Regarding the issues of storms causing outages on the systems. All satellite systems can have their uplinks interrupted for a short time (typically 10 - 15 minutes) as a storm moves through. Once the storm passes the uplink is restored and the system recovers. There is little we can do to avoid these sort of outages however, they do tend to be quite local, so an outage in Utiy may not be experienced in Ikuntji.

- Purchase of vehicles and fuel expenses
- Payment of salaries, cash prizes or recurrent operating costs of Council

- Sponsorship by way of uniforms, travel costs and allowances
- Purposes that are not related to local Government services and that should be addressed by another Government agency

FINANCIAL IMPLICATIONS

The purchase of any product or service must comply with MRC's Procurement Policy.

- Where will the goods be stored

Current Financial Year Funds Allocation

Date	2026/2027 Discretionary Funds	Budget \$
1-Jul-26	Approved Funds	\$ 4,000.00

ISSUES, CONSEQUENCES, OPTIONS

Local Authorities decide how to best spend this money to broadly benefit the community. The Local Authority is responsible for consulting with community members to ensure that community priorities are considered when allocating discretionary funds.

FINANCIAL IMPLICATIONS

The use of funds must be approved at a Local Authority meeting with a full quorum, or a form signed by more than half of the active Local Authority members.

Failure to spend the funds within the financial year (1 July to 30 June) will result in these funds being returned to MacDonnell Regional Council.
