# **CONFLICTS OF INTEREST**

**ITEM NUMBER** 7.1

TITLE Conflict of Interests

# **EXECUTIVE SUMMARY:**

This report outlines the minimum standard of behaviour expected of the Local Authority in relation to declaring personal or family financial interests that may impact on the performance of their roles and ability to make objective decisions.

# **RECOMMENDATION**

That the Finke Local Authority Meeting:

- a) Note the Conflict of Interest Policy; and
- b) That members declare any conflicts of interest.

# **BACKGROUND**

Conflicts of interest arise when members are influenced, or appear to be influenced, by personal interests when doing their jobs. The perception of a conflict of interest – the way it seems to the public - can be as damaging as an actual conflict, because it undermines public confidence in the integrity and fairness of MacDonnell Regional Council (MRC).

Under the *Local Government Act*, not declaring a conflict of interest or improperly disclosing information can lead to imprisonment.

# Examples of conflicts of interest and improper disclosure of information:

Tendering and Purchasing – financial conflict of interest

Example: Council has advertised for a contractor for irrigation of a football oval. A member is
employed by a company which has tendered for the contract. This may affect, or it may reasonably
be suspected that it could affect, their ability to make an unbiased or fair decision when the
contract choice is considered by Council.

Tendering and Purchasing – non-financial conflict of interest

• Example: A contractor tendering for a Council contract for road works offers to seal the road to a member's house. The member would not be seen as impartial or fair when choosing the contractor for the job.

# Information and Opportunities

 Example: a member may know a lot of information about tenders for contracts coming up in the MRC area before the tenders are made public. Conflicts can arise if the member gives this information to a friend or relative working for a company so they can have a better chance of winning the contract.

# Undue Influence

• Example: a member tries to pressure a hotel in Alice Springs into providing free accommodation, because they are a member of Council.

# **Declaring a Conflict of Interest**

As soon as practical after a member becomes aware of a conflict of interest in a matter that has come up or is about to come up before or during a meeting (council, local authority or council committee), the member must disclose or tell the relevant interest to the meeting and to the Chief Executive Officer (CEO) of MRC.

Details of members' interests and the nature of those interests will be recorded in the relevant Register of Interests published on the Council's website and to be available for any member of the public to look over at the Council's public office.

In addition, if a member enters into a personal or business relationship with another member or Council employee that could result in a conflict of interest, then this relationship must be reported to the President and CEO. A file note will be made and recorded on the relevant Register of Interests.

# Uncertainty about whether a conflict of interest exists or not

If a member is unsure whether or not they have a conflict of interest, they should give full details to the CEO or seek independent legal advice.

The CEO does not have a responsibility to decide whether or not a member has a conflict of interest in a matter. The responsibility for determining whether a member has a conflict of interest is up to the individual member.

# If you do have a Conflict of Interest

After a member has disclosed the nature of the interest, the member must not, without approval from the Minister:

- · be present during any discussion of the meeting when the matter is being discussed
- take part in any decision related to the matter
- · Influence another member in their decision.

Members will not become involved in the promotion or endorsement of products and/or services unless this has been approved in line with Council's policies and Code of Conduct.

# **Complaints Regarding Failure to Disclose an Interest**

Any person may make a complaint that a member has or may have failed to disclose or tell of a conflict of interest. All complaints should be directed to the MRC CEO.

# ISSUES/OPTIONS/CONSEQUENCES

The Disclosure of Interests Policy helps Council to ensure that:

- the business of Council is conducted with efficiency, fairness, and integrity; and
- members act in the best interests of Council and do not seek personal or family gain when performing their duties or use their public office for personal gain.
