7. CONFLICTS OF INTEREST

ITEM NUMBER	7.1
TITLE	Conflict of Interests

EXECUTIVE SUMMARY:

This report outlines the minimum standard of behaviour expected of the Local Authority in relation to declaring personal or family financial interests that may impact on the performance of their roles and ability to make objective decisions.

RECOMMENDATION

That the Hermannsburg Local Authority Meeting:

- a) notes the Conflict of Interest Policy; and**
- b) that members declare any conflicts of interest.**

BACKGROUND

Conflicts of interest arise when members are influenced, or appear to be influenced, by personal interests when doing their jobs. The perception of a conflict of interest – the way it seems to the public - can be as damaging as an actual conflict, because it undermines public confidence in the integrity and fairness of MacDonnell Regional Council (MRC).

Under the *Local Government Act*, not declaring a conflict of interest or improperly disclosing information can lead to imprisonment.

Examples of conflicts of interest and improper disclosure of information:

Tendering and Purchasing – financial conflict of interest

- Example: Council has advertised for a contractor for irrigation of a football oval. A member is employed by a company which has tendered for the contract. This may affect, or it may reasonably be suspected that it could affect, their ability to make an unbiased or fair decision when the contract choice is considered by Council.

Tendering and Purchasing – non-financial conflict of interest

- Example: A contractor tendering for a Council contract for road works offers to seal the road to a member's house. The member would not be seen as impartial or fair when choosing the contractor for the job.

Information and Opportunities

- Example: a member may know a lot of information about tenders for contracts coming up in the MRC area before the tenders are made public. Conflicts can arise if the member gives this information to a friend or relative working for a company so they can have a better chance of winning the contract.

Undue Influence

- Example: a member tries to pressure a hotel in Alice Springs into providing free accommodation, because they are a member of Council.

Declaring a Conflict of Interest

As soon as practical after a member becomes aware of a conflict of interest in a matter that has come up or is about to come up before or during a meeting (council, local authority or council committee), the member must disclose or tell the relevant interest to the meeting and to the Chief Executive Officer (CEO) of MRC.

Details of members' interests and the nature of those interests will be recorded in the relevant Register of Interests published on the Council's website and to be available for any member of the public to look over at the Council's public office.

In addition, if a member enters into a personal or business relationship with another member or Council employee that could result in a conflict of interest, then this relationship must be reported to the President and CEO. A file note will be made and recorded on the relevant Register of Interests.

Uncertainty about whether a conflict of interest exists or not

If a member is unsure whether or not they have a conflict of interest, they should give full details to the CEO or seek independent legal advice.

The CEO does not have a responsibility to decide whether or not a member has a conflict of interest in a matter. The responsibility for determining whether a member has a conflict of interest is up to the individual member.

If you do have a Conflict of Interest

After a member has disclosed the nature of the interest, the member must not, without approval from the Minister:

- be present during any discussion of the meeting when the matter is being discussed
- take part in any decision related to the matter
- Influence another member in their decision.

Members will not become involved in the promotion or endorsement of products and/or services unless this has been approved in line with Council's policies and Code of Conduct.

Complaints Regarding Failure to Disclose an Interest

Any person may make a complaint that a member has or may have failed to disclose or tell of a conflict of interest. All complaints should be directed to the MRC CEO.

ISSUES/OPTIONS/CONSEQUENCES

The Disclosure of Interests Policy helps Council to ensure that:

- the business of Council is conducted with efficiency, fairness, and integrity; and
- members act in the best interests of Council and do not seek personal or family gain when performing their duties or use their public office for personal gain.

AUTHOR	Kaisa Suumann, Coordinator Community Engagement Project

LINKS TO STRATEGIC PLAN

Goal 01: Developing Communities

Goal 02: Healthy Communities

Goal 03: Empowered Communities

Goal 04: A Supportive Organisation

EXECUTIVE SUMMARY:

The purpose of this report is to seek feedback from the Hermannsburg Local Authority on Hermannsburg Youth Board's recommendations to the LA. The Hermannsburg Youth Board would like to thank the Local Authority for granting funding for a pool table. The pool table has been ordered. Estimate delivery time is August 2023.

RECOMMENDATION

That the Hermannsburg Local Authority:

- a) receives and notes the Hermannsburg Youth Board's meeting minutes from the 01/03/2023 attached to this report;
- b) discusses and decides on the Youth Board's idea to move the 2 shade structures closest to the rec hall further away;
- c) discusses and decides on Youth Board's funding request for purchasing a Playstation-5 Digital Console for the OSH-Building, quoted for \$799.00; and
- d) discusses and decides on Youth Board's idea to fix up 3 electric guitars, they are needing an input jack part fixed - \$500.00 for Rock City Music purchase order.

BACKGROUND

MRC Youth Boards' objectives are to provide opportunities for youth led decision making and encourage young people to identify and participate in issues, ideas and future developments that matter to them. Youth Boards are an important platform for MRC administration, the elected Council members and Local Authorities to engage with young people about community services, programs and strategic direction.

The minutes of the Youth Board meetings held on the 1st of March 2022, as well as a quote for a PlayStation console are attached to this report.

ISSUES, CONSEQUENCES, OPTIONS

The Hermannsburg Local Authority to provide feedback on recommendations above.

FINANCIAL IMPLICATIONS

Youth Boards can ask funding for their ideas from their respective Local Authority. All Local Authorities have two separate funding sources to invest for the broadest benefit in their community:

1. Discretionary Funds provided by MRC to support community activities
2. Project Funds provided by the NTG to support community projects

To empower youth-led decisions and encourage young people to be engaged representatives in their communities, there is a MRC Regional Plan 2022-2023 strategy, Key Performance Indicator (KPI) that states that if Local Authorities engage with Youth Boards, 10% of Local Authority Project Funding continues to be allocated to local Youth Board identified projects. This encourages each Local Authority to resolve in a meeting to allocate 1/10th or more of their Project Funding for a Youth Board project in their community.

MRC's Youth Boards can also seek funding from MRC's Discretionary Funds.

Hermansburg Local Authority 7/09/2022	Kendrick, Chris	General Business	Administering payments
Action HLA2022-086 – Request that MRC act as Agents, administering payments for utilities, insurance and repairs (raised 30 November 2022)			
HLA2022-086 RESOLVED (Reggie Lankin/Nicholas Williams)			
That the Hermansburg Local Authority:			
a) noted and discussed the General Business items raised at Item 6.2 as follows:			
<ul style="list-style-type: none"> Ntaria Football clubrooms – it was discussed that MRC would partner with Community Development Working group (CDWG) in regards to utility accounts and maintenance. Alex Burgess from CLC requested that MRC could act as an 'agent' and administer the payments for utilities, insurance and repairs and maintenance. CDWG would fund MRC to act as an agent and ensure funds transferred to MRC to pay accounts. This was agreed by the LA members however LA members requested evidence of payments to MRC from CDWG showing all accounts being paid by CDWG. Suggested yearly statements from CDWG, showing accounts and transfer of funds to MRC for payment of accounts. 			
14 February 2023 - Response from Chris Kendrick, Director Corporate Services.			
Whilst MRC are happy to try and help facilitate the project, there are some things we'd need to resolve with respect to the ability to set up invoices for payment in MRC's name, due to the fact that MRC do not have and do not wish to have a licence over the property. The main areas being in respect of:			
<ul style="list-style-type: none"> connection of power and water as the property is not held under a licence or lease; and securing insurance, again due to the fact we do not hold a licence or a lease. However, in addition to this MRC do not have the funds available to take on the risk associated with the gap (being the excess) their insurance would leave. Further, we believe it may not be in the Community Development Working Group or Football Club's best interest to be left subject to the same insurance excess as MRC experiences, the Council's insurer suggesting that perhaps this be investigated with CAFL, as he believes the CAFL may be able to link the club up with insurance at a more preferred rate with better terms including a lower excess. 			
Alex Burgess agreed to look into some alternatives to assist with the desired outcome.			
<i>Recommendation to the LA is to close action.</i>

Goal 01: Developing Communities
 Goal 02: Healthy Communities
 Goal 04: A Supportive Organisation

EXECUTIVE SUMMARY:

Each financial year, MRC grants a discretionary fund allocation of \$4,000.00 to the Local Authority.

The Local Authority decides how best to commit these funds that will benefit the Community and to improve Community development.

Discretionary Funds cannot be carried over from year to year and must be spent (with goods received) between 1 July and 30 June.

Due to an administrative oversight, the payment for the Family night BBQ was omitted from the previous Authority meeting.

RECOMMENDATION

That the Hermansburg Local Authority:

- a) notes the payment omitted from the previous meeting; and
- b) notes the available funds have not yet been expended.

BACKGROUND

Date	2022/2023 Discretionary Funds	Commitment/ Expenditure \$
1 July 22	Approved funds	4,000.00
Jun 22	Ntaria School - Family Night BBQ	- 839.97
12 Feb 23	Res.019 - chose to allocate their 2022/2023 Discretionary Funds towards a Community Sports weekend in May 2023.	
	Remaining Balance	\$ 3,160.03

ISSUES, CONSEQUENCES, OPTIONS

Local Authorities decide how to best spend this money to broadly benefit the community. The Local Authority is responsible for consulting with community members to ensure that community priorities are taken into account when allocating discretionary funds.

Examples that Discretionary funds can be used for:

- Community Christmas and New Year's Festivity
- Community BBQ's
- Sports weekends
- NAIDOC Celebration

FINANCIAL IMPLICATIONS

There is a current balance of \$3,106.03 to spend before 30 June 2023.

This money cannot be carried over from one financial year to the next and must be fully expended between 1 July and 30 June annually or the funds forfeited.

CHILDREN'S SERVICES
Service Delivery and Engagement
 Centre Closure:

- 21 - 24 February 2023 because no Children presented to the ELC

- The children enjoyed free play with boxes which were used in construction and role play activities. There were many social interactions and negotiations with the box play, followed by each child making a box car to take home. Due to the heat we enjoyed lots of indoor activities including making slime and playdough. Outside we used water and mud to make mixtures and potions. Educators worked on a new menu for the children to try new foods and used nutrition guides to make sure the new menu covered all recommended food groups and intakes.

Other Updates

- During this reporting visit the Centre received a spot check from the Department of Environmental Health. Although we were strong in some areas, there were a number of recommendations which arose from the report including:
 - More effective storage and labelling of dry goods
 - More effective storage and date labelling of refrigerated items
 - Provision of soap and paper towels at each individual hand wash sink
 - Improved record keeping
- After the environmental health report was received by MRC, a coordinator and second support Team Leader attended the ELC for 2 weeks to rectify and address the recommendations in preparation for the return visit on 15 February 2023
- Environmental Health Team visited on Wednesday 15 February 2023 and checked the Centre. All complaints were closed and recommendations for improvement met. The environmental health team were impressed with the improvements and commented on the overall cleanliness and record keeping. The next scheduled visit from the Environmental Health team is in March 2024.
- Two Educators from Hermansburg ELC enrolled in Certificate III in Education and Care with Batchelor Institute with studies to begin in March with a weeklong workshop in Alice Springs.

COMMUNITY SAFETY

Service Delivery and Engagement

- The team is working on a six days roster, Tuesday to Sunday. With the hours varying from 5:00pm to midnight, adapting to the needs in the community.
- MacSafe continue to work closely with MacYouth, coordinating the safe transport of young people to their homes after evening programs.

Other Updates

- The Hermansburg team have begun training and working with the new MacSafe Reporting App.
- All MacSafe staff will document their patrolling work in future, by filling in data on a tablet (I-Pad), instead of having to write on pieces of paper in the car. The staff are enjoying working with it; and it is already proving to capture a more accurate reflection of patrolling engagements.
- We have almost completed the Yarning Circle space; the Shade Sails are up, the raised garden beds have been prepared; and we will be selecting the plants as soon as the weather cools down. The Team is looking forward to welcoming community members into the Yarning Space, when it has all been completed. The Yarning Circles have been funded by the NT Health Department’s Harm Minimization Unit; with the view of creating spaces that community members can sit and have a chat with the MacSafe team about safety and community issues. We also plan to accommodate community meetings there.

- Going away party for our former YEO Nicholas Williams for all his hard work and guidance with MacYouth and support to make life better for youth in Hermannsburg.
- First interagency meeting of the year at Hermannsburg Top Shop Store. The meeting was to address some of the recent issues of house and establishment break-ins and car theft that occurred over the Christmas/new year period.
- MacYouth, MacSafe, NIAA, WANTA, Ntaria School, Police, Top Shop and Health workers, all came together and brought ideas forward on how to strengthen ties between all stakeholders to better the community and work more productively with the youth in Ntaria community.
- Young people helping to clean up rubbish before program.
- Visit from the new general manager from NTG Sports & Rec Mitchel Hardy, Gavin McGargill and Nicholas Williams (now TFHCD employee).
- Tjuwanpa music program and MacYouth held a youth concert in Hermannsburg. The James Range Band from MacYouth in Areyonga came across for the evening.
