#### CONFLICTS OF INTEREST

ITEM NUMBER7.1TITLEConflict of Interests

## **EXECUTIVE SUMMARY:**

This report outlines the minimum standard of behaviour expected of the Local Authority in relation to declaring personal or family financial interests that may impact on the performance of their roles and ability to make objective decisions.

#### RECOMMENDATION

That the Santa Teresa Local Authority Meeting:

- a) Note the Conflict of Interest Policy; and
- b) That members declare any conflicts of interest.

#### BACKGROUND

Conflicts of interest arise when members are influenced, or appear to be influenced, by personal interests when doing their jobs. The perception of a conflict of interest – the way it seems to the public - can be as damaging as an actual conflict, because it undermines public confidence in the integrity and fairness of MacDonnell Regional Council (MRC).

Under the *Local Government Act*, not declaring a conflict of interest or improperly disclosing information can lead to imprisonment.

## Examples of conflicts of interest and improper disclosure of information:

Tendering and Purchasing – financial conflict of interest

• Example: Council has advertised for a contractor for irrigation of a football oval. A member is employed by a company which has tendered for the contract. This may affect, or it may reasonably be suspected that it could affect, their ability to make an unbiased or fair decision when the contract choice is considered by Council.

Tendering and Purchasing - non-financial conflict of interest

• Example: A contractor tendering for a Council contract for road works offers to seal the road to a member's house. The member would not be seen as impartial or fair when choosing the contractor for the job.

## Information and Opportunities

• Example: a member may know a lot of information about tenders for contracts coming up in the MRC area before the tenders are made public. Conflicts can arise if the member gives this information to a friend or relative working for a company so they can have a better chance of winning the contract.

Undue Influence

• Example: a member tries to pressure a hotel in Alice Springs into providing free accommodation, because they are a member of Council.

## **Declaring a Conflict of Interest**

As soon as practical after a member becomes aware of a conflict of interest in a matter that has come up or is about to come up before or during a meeting (council, local authority or council committee), the member must disclose or tell the relevant interest to the meeting and to the Chief Executive Officer (CEO) of MRC.

Details of members' interests and the nature of those interests will be recorded in the relevant Register of Interests published on the Council's website and to be available for any member of the public to look over at the Council's public office.

In addition, if a member enters into a personal or business relationship with another member or Council employee that could result in a conflict of interest, then this relationship must be reported to the President and CEO. A file note will be made and recorded on the relevant Register of Interests.

## Uncertainty about whether a conflict of interest exists or not

If a member is unsure whether or not they have a conflict of interest, they should give full details to the CEO or seek independent legal advice.

The CEO does not have a responsibility to decide whether or not a member has a conflict of interest in a matter. The responsibility for determining whether a member has a conflict of interest is up to the individual member.

## If you do have a Conflict of Interest

After a member has disclosed the nature of the interest, the member must not, without approval from the Minister:

- be present during any discussion of the meeting when the matter is being discussed
- take part in any decision related to the matter
- Influence another member in their decision.

Members will not become involved in the promotion or endorsement of products and/or services unless this has been approved in line with Council's policies and Code of Conduct.

## **Complaints Regarding Failure to Disclose an Interest**

Any person may make a complaint that a member has or may have failed to disclose or tell of a conflict of interest. All complaints should be directed to the MRC CEO.

## ISSUES/OPTIONS/CONSEQUENCES

The Disclosure of Interests Policy helps Council to ensure that:

- the business of Council is conducted with efficiency, fairness, and integrity; and
- members act in the best interests of Council and do not seek personal or family gain when performing their duties or use their public office for personal gain.

#### **EXECUTIVE SUMMARY:**

On 20 December 2019 the Acting Executive Director of Local Government and Community Development wrote to President Roxanne Kenny to remind the MacDonnell Regional Council of important matters contained in recent communications.

The letter's two main points outline the need for Councillors and Local Authority members to: 1. disclose any conflict of interest that may arise from a matter before any Council or Local Authority discussion: and

2. stand down before nominating as a candidate in the NT Elections

#### RECOMMENDATION

That the Santa Teresa Local Authority note and accept the correspondence from the department.

#### BACKGROUND

The *Local Government Act* provides legislation to frame the decision-making and behaviour of elected (Council) and nominated (Local Authority) members to deliver good governance to constituents.

One way to deliver good governance is for a member to not participate in a decision on a question where they have a conflict of interest. Under the *Local Government Act* a member has a legal requirement to disclose a personal or financial interest that gives rise to, a real or perceived, conflict of interest. Conflicts of interest can arise from a member's relevant interest in connection with the pre-selection or nomination of candidates for other government elections.

Another way is for a member to resign in writing from the Council or Local Authority before officially nominating with the Electoral Commission for the Northern Territory Legislative Assembly election. If the person resigns as a Councillor or Local Authority member and is not elected to the Legislative Assembly, the person may then nominate to again be a member of the Council or Local Authority.

Local Government is a feasible early step in a political career. The *Local Government Act* supports individuals to learn and deliver good governance to constituents and to explore opportunities for elected representation at higher levels of government.

Ms Roxanne Kenny President MacDonnell Regional Council PO Box 5267 ALICE SPRINGS NT 0871

Dear Ms Kenny

Re: August 2020 Legislative Assembly Election

As we approach the upcoming August 2020 Legislative Assembly election, it is important that all members are reminded of the legal requirement to disclose a personal or financial interest that gives rise to a conflict of interest in a question before the council, council committee or local authority. A member must not participate in any decision on a question where they have a conflict of interest. Members are to be aware that conflicts of interest can arise from a member's relevant interest in connection with the pre-selection or nomination of candidates for elections. Further detail of these requirements are contained in Part 7.2 of the *Local Government Act 2008*.

On 25 September 2019, Ms Maree De Lacey, Executive Director of Local Government and Community Development, emailed all council chief executive officers with advice on the process to follow if members nominate as candidates and they wish to be reappointed to council or the local authority if they are unsuccessful.

On 30 October 2019, Mr Jamie Chalker, the former Chief Executive Officer of this Department, wrote to all chief executive officers with further advice and highlighted the importance of managing conflicts of interest.

As this is an important matter, I ask that you table this correspondence at your next council and local authority meetings so that all members are made aware of this advice. Please do not hesitate to contact me via <u>brett.beaton@nt.gov.au</u> if you or your council require any clarification on this matter or if you would like more information.

Yours sincerely

## FINANCE AND GOVERNANCE REPORTS

## LINKS TO STRATEGIC PLAN

## **EXECUTIVE SUMMARY:**

The order of agenda items for Local Authority meetings was changed recently to align with changes made to the order of agenda items for Council meetings. While this was an adjustment made across all its meeting agendas, MacDonnell Regional Council (MRC) is interested to know if this affects the running of Local Authority meetings and hear suggestions from members about other improvements that could be made to the meeting format and content.

MRC also asks the Local Authority to consider the impacts and benefits if it were to hold meetings at different times of the day. Particular consideration is asked of meetings being held after work hours and whether this would then appeal to a broader range of people becoming Local Authority members.

## RECOMMENDATION

# That the Santa Teresa Local Authority note and accept this report and provide feedback.

## BACKGROUND

The Local Authority has traditionally had its meetings begin in the morning and run during business hours.

While MRC staff in communities are able to become Local Authority members, they are remunerated at their normal rate of pay. Other community members working for other organisations may be restricted from becoming Local Authority members as they cannot get time away from their job.

Often the people who are good at thinking about money and government things are working for NGOs or government agencies in the community, while most community meetings are held during the day when they cannot always participate. This meeting needs to weigh up whether such a change could open up the Local Authority membership to involve more community members.

If Local Authority meetings were held outside of business hours, the Council office would need to remain open to host the meeting, staff would be required to remain, supporting staff from Alice Springs, ward councillors and the president would need to be accommodated overnight.

## **ISSUES, CONSEQUENCES, OPTIONS**

Community members would be required to give up some nights with their family to attend Local Authority meetings to address broader community matters.

## FINANCIAL IMPLICATIONS

A change to the scheduled meeting time would possibly enable existing and new Local Authority members to receive remuneration in addition to the income they earn during business hours.

This kind of change would also see some increases in the cost for MRC to administer the secretariat support to the Local Authority meetings and for Councillor's attendance to be supplemented. These matters would need to be addressed in the forthcoming 2020/21 budget.
