MACDONNELL COUNCIL CODE OF CONDUCT**ITEM NUMBER** 4.1**TITLE** MacDonnell Council Code of Conduct**EXECUTIVE SUMMARY:**

This report contains all of the details about the MacDonnell Council Code of Conduct Policy.

RECOMMENDATION

That the Titjikala Local Authority note the Council Code of Conduct.

MacDonnell Regional Council Code of Conduct**Interests of the Council and Community come first**

A member must act in the best interests of the community, its outstations and the Council.

Honesty

A member must be honest and act the right way (with integrity) when performing official duties.

Taking care

A member must be careful to make good decisions (diligence), and must not be under the influence of alcohol or illegal drugs, when performing official duties.

Respect/Courtesy

A member must be respectful to other members, council staff, constituents and members of the public.

Conduct towards council staff

A member must not direct, reprimand, or interfere in the management of council staff.

Respect for culture

A member must respect different cultures, families and language groups (cultural diversity) and not be unfair towards others, or the opinions of others, because of their background.

Conflict of interest

A member must, if possible, avoid conflict of interest between the member's private interests (family, other job, business etc.) and duties.

Where a conflict exists, the member must inform the Council, Local Authority or Council Committee and not take part in the discussion or vote.

Respect for private business

A member must not share private (confidential) information that they heard as a member, outside of meetings.

A member must not make improper use of confidential information to gain a benefit or to cause harm to another.

Gifts

A member must not ask for or encourage gifts or private benefits from anyone who might want to do business with or obtain a benefit from Council.

Accountable

A member must be able to show that they have made good decisions for the community, and have allocated the Council's resources carefully and to benefit the region.

Failure to comply with this Code of Conduct may result in disciplinary action.

ISSUES/OPTIONS/CONSEQUENCES

The Code of Conduct Policy helps Council to ensure that the:

- MacDonnell Regional Council (MRC) exercises strong and accountable governance;
- constituents of MRC are aware of the behaviours they can expect from members.

CONFLICTS OF INTEREST

ITEM NUMBER 4.2
TITLE Conflict of Interests

**EXECUTIVE SUMMARY:**

This report outlines the minimum standard of behaviour expected of the Local Authority in relation to declaring personal or family financial interests that may impact on the performance of their roles and ability to make objective decisions.

RECOMMENDATION

That the Titjikala Local Authority note the Conflict of Interest Policy and declare any conflicts either now or as they arise.

BACKGROUND

Conflicts of interest arise when members are influenced, or appear to be influenced, by personal interests when doing their jobs. The perception of a conflict of interest – the way it seems to the public - can be as damaging as an actual conflict, because it undermines public confidence in the integrity and fairness of MacDonnell Regional Council (MRC).

Under the *Local Government Act*, not declaring a conflict of interest or improperly disclosing information can lead to imprisonment.

Examples of conflicts of interest and improper disclosure of information:

Tendering and Purchasing – financial conflict of interest

- Example: Council has advertised for a contractor for irrigation of a football oval. A member is employed by a company which has tendered for the contract. This may affect, or it may reasonably be suspected that it could affect, their ability to make an unbiased or fair decision when the contract choice is considered by Council.

Tendering and Purchasing – non-financial conflict of interest

- Example: A contractor tendering for a Council contract for road works offers to seal the road to a member's house. The member would not be seen as impartial or fair when choosing the contractor for the job.

Information and Opportunities

- Example: a member may know a lot of information about tenders for contracts coming up in the MRC area before the tenders are made public. Conflicts can arise if the member gives this information to a friend or relative working for a company so they can have a better chance of winning the contract.

Undue Influence

- Example: a member tries to pressure a hotel in Alice Springs into providing free accommodation, because they are a member of Council.

Declaring a Conflict of Interest

As soon as practical after a member becomes aware of a conflict of interest in a matter that has come up or is about to come up before or during a meeting (council, local authority or

council committee), the member must disclose or tell the relevant interest to the meeting and to the Chief Executive Officer (CEO) of MRC.

Details of members' interests and the nature of those interests will be recorded in the relevant Register of Interests published on the Council's website and to be available for any member of the public to look over at the Council's public office.

In addition, if a member enters into a personal or business relationship with another member or Council employee that could result in a conflict of interest, then this relationship must be reported to the President and CEO. A file note will be made and recorded on the relevant Register of Interests.

Uncertainty about whether a conflict of interest exists or not

If a member is unsure whether or not they have a conflict of interest, they should give full details to the CEO or seek independent legal advice.

The CEO does not have a responsibility to decide whether or not a member has a conflict of interest in a matter. The responsibility for determining whether a member has a conflict of interest is up to the individual member.

If you do have a Conflict of Interest

After a member has disclosed the nature of the interest, the member must not, without approval from the Minister:

- be present during any discussion of the meeting when the matter is being discussed
- take part in any decision related to the matter
- Influence another member in their decision.

Members will not become involved in the promotion or endorsement of products and/or services unless this has been approved in line with Council's policies and Code of Conduct.

Complaints Regarding Failure to Disclose an Interest

Any person may make a complaint that a member has or may have failed to disclose or tell of a conflict of interest. All complaints should be directed to the MRC CEO.

ISSUES/OPTIONS/CONSEQUENCES

The Disclosure of Interests Policy helps Council to ensure that:

- the business of Council is conducted with efficiency, fairness, and integrity; and
- members act in the best interests of Council and do not seek personal or family gain when performing their duties or use their public office for personal gain.

AUTHOR	Peter Devine, Acting Manager Community Safety

**SUMMARY:**

The MacDonnell Council Community Safety team have put together a survey to ask community members what they think the main issues in Titjikala are.

RECOMMENDATION

That the Local Authority talk about their safety concerns for Titjikala.

BACKGROUND

Community Safety patrols are facilitated and delivered in twelve MacDonnell Regional Council communities through its Community services. This is a vital community program that protects vulnerable and at risk people by using cultural mediation skills, engaging with youth people, defusing potentially violent incidents and reducing adverse contact for local people with the criminal justice system.

Throughout MacDonnell Regional Council communities the Community Safety program maintains an indigenous employment rate of 80% across the workforce of Coordinators, Team Leaders to Community Safety Officers. This capacity is achieved by Council's support and development of skills and confidence of community residents to deliver effective community safety measures through both on the job and registered training. Community Safety Officers are supported in their Certificate 3 training in Community Services with Charles Darwin University.

Community Safety Officers also play a pivotal role in maintaining cohesion at community sports carnivals in the MacDonnell Regional Council area, neighbouring council areas and in Alice Springs. Patrols from neighbouring communities support each other's events, together strengthening community safety for all concerned. MacDonnell Council's Community Safety teams also worked closely with Tangentyere Council, Central Desert Regional Council and the Northern Territory Police when people from across Central Australia converged in Alice Springs for major events.
