MacDonnell Regional Council

LEFT to RIGHT: Santa Teresa Council Service Coordinator Annalisa Young, Civil Works Team Leader Graham (Scrubby) Hayes and Director Service Delivery Graham Murnik start to celebrate Santa Teresa being named this year's Territory Tidy Town

After the main course was cleared the finalist communities were announced. Nhulunbuy was named *Best Large Community*, Santa Teresa named *Best Medium Community* and Wallace Rockhole named *Best Small Community*.

No sooner were the desserts served than the announcement was made. Santa Teresa was named the *2018 Territory Tidy Towns*. After years of continually trying again and improving their community Santa Teresa staff, residents and stakeholders received the recognition they deserved – their

just desserts!

CEO UPDATE

Welcome to MacDonnell Regional Council,

My congratulations to Santa Teresa on being named the *Territory Tidy Town* at the recent awards ceremony held in Darwin. They have worked very hard building their community engagement, collaboration and pride.

Wallace Rockhole also received a major award when it was named the *Best Small Community*. Our communities of Finke, Imanpa and Hermannsburg along with the school in Areyonga were also acknowledged on the night for their efforts.

These outstanding achievements along with the input by all communities who participated, no doubt contributed to MacDonnell Regional Council being named the *Best Regional Council* for the fifth consecutive year. This acknowledgement should be a great sense of pride to all our employees.

My congratulations also go to our Service Delivery Director Graham Murnik and his team for being the drivers of the program across our communities and over the years. I also acknowledge the support shown by other directorate staff, stakeholders and community members whose efforts significantly contributed to the overall result.

Santa Teresa will now go on to represent the Northern Territory at the national finals and I ask everyone to get behind them in their bid to become *Australia's Tidiest Town*.

Prior to the awards I attended the annual Local Government Association of the Northern Territory (LGANT) meeting where mayors, presidents and chief executive officers from councils across the Northern Territory looked at some challenges and opportunities ahead of us.

LGANT President Damian Ryan spoke about the Australian Local Government Association (ALGA) meeting. He outlined 12 key points they will be promoting ahead of the next federal election. One initiative to foster Indigenous well-being by continuing to provide at least \$5.5b over the next decade to address the needs in remote Aboriginal communities to address overcrowding, homelessness, poor housing conditions, and a severe shortage of housing. Another initiative seeks to restore the Federal Financial Assistance Grants to local government back to the 1996 level of 1% of commonwealth tax revenue from its current level of 0.55%.

The Northern Territory minister responsible for local government, Gerry McCarthy MLA attended and advised the LGANT meeting that the government will be putting out a review of the *Local Government Act* next year. Minister McCarthy also talked about their work in regard of Disaster Relief and Recovery Arrangements, the Strategic Infrastructure Fund, Shared Services, the Cemetery Act, and the new \$2m Energy Efficiency Fund.

Finally, as we approach the Christmas season I thank our staff who will be working through the break, for their commitment to our residents.

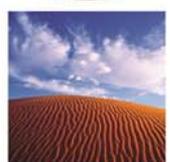

I would also like to take this moment to wish all our staff and all our stakeholders – a peaceful and happy Christmas and a very prosperous New Year.

Thank you for the great work, Jeff

Jeff MacLeod, Chief Executive Officer, MacDonnell Regional Council

Santa Teresa stakeholders celebrate their *Territory Tidy Town* award together (LEFT to RIGHT) Atyenhenge Atherre Aboriginal Corporation (AAACorp) CEO Susie Low and Ltyentye Apurte Catholic Education Centre Deputy Principal Justin Colley with MacDonnell Regional Council staff: Council Service Coordinator Annalisa Young and Civil Works Team Leader Graham (Scrubby) Hayes

Santa Teresa wins big for the *Best Regional Council*

The Grand Ballroom of Darwin's SkyCity casino shone from the community pride Santa Teresa representatives displayed at the gala awards ceremony when they were named the *Territory Tidy Town*.

After being highly commended and named winner in several categories at the recent Keep Australia Beautiful (NT) Tidy Towns awards, our remote Aboriginal community of Santa Teresa was named the *2018 Territory Tidy Town*.

“Santa Teresa has won Tidy Town awards in different categories over the years – so it was great that it is now named the *Territory Tidy Town*”, said MacDonnell Regional Council President, Roxanne Kenny.

MacNews

The good people of Santa Teresa embraced the responsibility to keep their community clean. Strong community support comes from their own Atyenhenge Atherre Aboriginal Corporation (AAACorp) and the Lytentye Apurte Catholic Education Centre and Church. MacDonnell Regional Council's Civil Works team provides the backbone for getting things done, but they are well supported by the efforts of residents and stakeholders.

At this year's awards ceremony Santa Teresa featured among other MacDonnell Regional Council communities when we once again emerged as the major winners of the evening:

Having won *Best Medium Community* Santa Teresa then won the major *Territory Tidy Town* award qualifying it to represent the Northern Territory at the National Tidy Town awards in Smithton Tasmania in early April next year.

Santa Teresa also won the *Community Participation* award while the Lytentye Apurte Catholic Education Centre won the *Territory Tidy Town School* award and its Deputy Principal Justin Colley was awarded the *Territory Tidy Town Citizen* award

Santa Teresa was also commended in the *Litter Management* and the *Resource Recovery* categories

The *Finke* community won the *Resource Recovery* award and the *Waste Management* award, and was commended in the *Community Participation* and the *Culture and Heritage* categories

Imanpa and Hermannsburg were both commended in the *Litter Management* and the *Community Participation* categories

Areyonga was commended in the *Territory Tidy Town School* category

while Wallace Rockhole won the *Best Small Community* award

and MacDonnell Regional Council won the *Best Regional Council* award for the fifth consecutive year

many voices, one dream, building a quality desert lifestyle

MacNews

MacDonnell Regional Council has consistently won the *Best Regional Council* award since it was introduced in 2014. This award reflects the high standards set in our remote communities and includes the top honour of consecutively being named a *Territory Tidy Town* winner: Finke in 2017, Areyonga in 2016, Mt Liebig in 2015, and Titjikala in 2014 and 2013.

In accepting the *Best Regional Council* award, our CEO Jeff MacLeod was gracious and after thanking the attending politicians for their support and noting that it is through the various community and infrastructure grants the government administers that we are able to bring improvements to the lives of our residents. He then gave our secrets away to a room full of regional councils when he said " it is important to commit to the process and involve everyone from those on the ground doing the hard work to the bosses in the

offices and when you bring residents and stakeholders along with you it really makes it all worthwhile ".

Get Grubby, dirty and scrappy

dirtgirl returned to our communities, this time bringing her friend scrapboy, as she continues promoting the Get Grubby program in our MacKids early learning centres. They visited Titjikala and Finke before returning to Santa Teresa to see how the children had been looking after their garden and how much the plants had grown.

MacDonnell Regional Council is using dirtgirl's Get Grubby program as part of our litter education initiative. The program will be delivered at early learning centres across the region over the next two years as an integral part of council's MacKids curriculum and engaged community schools.

The program contains 10 sustainability units that explore topics like reducing, reusing, recycling, composting, worm farming, saving water, saving energy, growing food as well as getting grubby. After getting grubby in their gardens, the young children with dirtgirl and scrapboy carefully washed their hands and faces before having lunch.

RIGHT: Be like scrapboy and always pickup rubbish when you see it on lying around

Suicide Story Mob

It was world suicide prevention week recently so the time was right to open up conversations with our MacYouth staff about how to stop youth suicide. Suicide Story Mob helped do this in Mount Liebig, Papunya and Kintore communities by talking about ways to recognise people that may be thinking about suicide and what to do if they are talking about suicide. Our staff came together in Papunya before returning to their communities – better able to help young people with their struggles.

Suicide Story Mob help do this in communities, by talking story about ways to recognise people that may be thinking about suicide, and what to do if they are talking about suicide.

Ngkitja Ntjarra, Tnangkarra Nyinta Wangka Tjuta, Tjukurpa Kutju
many voices, one dream, building a quality desert lifestyle

Crowdfunding tops up Local Authority Project

The Local Authority in Papunya invited their local Youth Board to contribute to a list of projects to improve the community. The Youth Board suggested several ideas and it was their idea for a skate ramp that was immediately supported by the Local Authority and funded through their project budget. Through consultation with the local Youth Board the skate ramp was installed in the youth recreation hall.

If you build it they will come...

Through the street-smarts of our MacYouth Team Leader in Papunya, Elliot Fleming, three young men from Melbourne travelled to Papunya to build the new skate ramp. They had also built the new skate ramp in Santa Teresa while our Coordinator Youth Services Pat Byrne had built the skate ramp in Titjikala when he was working there.

Skate equipment was now required and once again the Melbourne skate community got busy and organised fundraising to equip the new skating interest in our communities – skate gear was donated to Papunya, Santa Teresa and Titjikala communities by organisations in Melbourne. Also a barbeque, sponsored by Streetmachine was held at the Prahan Skatepark in Melbourne inviting skateboarders to donate new shoes, socks, tools and boards for our new skaters. Also our thanks to Ngurratjuta for donating helmets and delivering all the gear. The skate ramp has now become a new activity where young people in Papunya can exercise and learn new skills.

many voices, one dream, building a quality desert lifestyle*

Santa Teresa Race Weekend

After not holding the horse races in last year, Ltyentye Apurte community members, Atyenhenge Atherre Aboriginal Corporation (AAAC) and local stockmen got together and made sure it ran again. Held on the first weekend in October, the races were a fun filled weekend featuring a program of horse racing and a range of other activities for all ages in between.

Local musicians, the Eastern Reggae Band started off the weekend playing a popular concert on the Friday night. Everyone headed out to the race track on Saturday morning and the racing began. That evening after a long hot day people dressed up their little kids (as well as some big adults) for the *Best Dressed Cowboy* and the *Best Dressed Cowgirl* competition. The evening also included some line dancing.

Sunday was the big day with the best horses racing for either the 800m *Santa Teresa Cup* or the 2000m *Thoroughbred Cup*. The weekend finished with a presentation night barbeque courtesy of CatholicCare where the winners and runners-up recieved their trophies and prizes.

It was great to have the race weekend again, to have the chance to catch up with family and friends, locals and visitors from Alice Springs, Titjikala, Walkabout Bore and Hermannsburg.

Papunya Sports Weekend

Papunya Sports Weekend was a great success that involved MacSafe teams from Papunya, Kintore, Mount Liebig and Hermannsburg, along with collaborations from Territory Families and the local police in Papunya.

The MacSafe teams set up some shade at the oval and handed out refreshments. They also handed out merchandise from the Central Australian Women's Legal

Service (CAWLS) and Neighbourhood Watch from their stand.

Ngkitja Ntjarra, Tnangkarra Nyinta Wangka Tjuta, Tjukurpa Kutju

Celebrating Children's Week

MacKids celebrated Children's Week in Titjikala by joining up with MacCare and having a barbeque for children, families and elders.

Face painting was especially popular with the children and Daisy at MacCare made a cake for the celebration that everyone enjoyed.

MacKids Manager Margaret Harrison spoke about the beginnings of the centre and of the community's vision for local leadership at the Early Learning Centre in Titjikala. Her remarks were qualified by the number of local Aboriginal staff at the barbeque that work with MacKids as Team Leaders and Educators. It was rewarding to see how far the centre had come in such a relatively short time.

The day was an opportunity to celebrate the progress of the centre through the children, educators, families and elders that have all been involved in making the centre a fantastic place for children and families in Titjikala.

Slight but significant change

Since MacDonnell Council formed in 2008 it has delivered the Outside School Hours Care in most of our communities. Until recently, this program was delivered by MacKids as the funding objectives aligned with their Early Learning Program.

The program has now been renamed as the Outside School Hours Learning Program (OSHLP) and it is being provided by MacYouth. The program is now funded through the Department of Prime Minister and Cabinet who also fund other MacYouth program under the Indigenous Advancement Strategy (IAS).

MacYouth is now taking a moment to develop a framework that aligns OSHLP with children aged 5-12 – taking into account their unique needs, community requirements and the current capability of the MacYouth program.

ABOVE: MacYouth representatives Dillon Daniels and Rusty Campbell take a tour of the Melbourne Indigenous Transition School BELOW: Rusty poses with a spear made by Papunya MacYouth Officer Clive Corby – no doubt helping to push the bidding for it up – it sold for \$1200

MacYouth go fundraising at the top end of town

MacYouth staff, Dillon Daniels from Mount Liebig and Rusty Campbell from Papunya recently took a tour of Melbourne organised by the Papunya Foundation. They met with organisations including the Melbourne Indigenous Transition School where they explored schooling options for young people from the Western Desert.

Later they attended a fundraiser for the Papunya Foundation to raise money for more football-based cultural exchanges between the Melbourne based Glen Iris Football Club and combined communities of Mount Liebig and Papunya.

The fundraiser raised over \$20,000 dollars for more trips like those previously reported in *MacNews*. The exchange trips give our young fellas an opportunity to build relationships and pathways through football and education.

We send a huge thank you to everyone that donated and bought items at the auction on the night. Our special thanks go to the many generous women at Papunya Tjupi Arts who donated paintings for the auction. This was a great help toward our young people being able to attend these fantastic trips to Melbourne. Big thanks to Papunya Foundation for making all this happen.

Two of our senior Territorians feature in portrait awards

Our residents are all beautiful people so it is no surprise that the subjects of the two main category winners in *The Portrait of a Senior Territorian Art Award* are people from our communities.

Winner of the 2018 *Portrait of a Senior Territorian* was Dr Al Strangeways with her portrait titled *Hills: Kathleen Wallace and the Dancers* (right). The painting portrayed eastern Arrernte elder, teacher and internationally respected artist Kathleen Wallace who lived

most of her whole life in Santa Teresa and painted at the Keringke Arts art centre. She now resides in Alice Springs.

The People's Choice Award was won by Julia Mayman whose portrait titled *Proud Land* (left) was of Areyonga identity Daphne Puntjina.

Daphne was born at Areyonga Creek in 1944. Around her community, she is a leader in many areas and has worked in the local church and is a vital member of the MacDonnell Regional Council Local Authority in Areyonga.

Daphne also gained international fame as a key member of the Central Australian Aboriginal Women's Choir, starring in the documentary *The Song Keepers* following travels to Germany and America to perform.

Farewell Señor Wharton

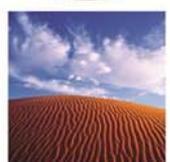

Long time MacDonnell Regional Council Area Manager (and previously Shire Service Manager at Areyonga), Matt Wharton has slipped across the border into the Central Desert Regional Council to take on a similar role as a Regional Service Manager.

Matt has played an integral role in implementing many of the positive changes that have occurred within the Council over the past nine and a half years. His wealth of knowledge and experience across the communities will be a great loss to us, yet a great gain to our neighbours.

We wish him every success in his further travels and future endeavours with Central Desert.

CLOCKWISE from TOP: Areyonga Acting Works Supervisor Jacob Carrol receives his award from Director Service Delivery Graham Murnik; Area Manager Ken Newman presents Hermannsburg Council Services Coordinator Kathleen Abbott with her award; Senior Works Assistant Ivan Emitja is presented with his medal in Hermannsburg by 'CT' Fraser

More 10 Years Service Awards

The *10 Year Service Award* medals recognise the long term contributions of our foundation staff. MacDonnell Council continues to present these medals to our staff over the coming years, to recognise their 10 year anniversaries. Staff's ten years of service is recognised through the medals that are presented along with a certificate and a letter from the CEO follows.

REWARD + RECOGNITION

Each month an email goes out to all staff asking them to nominate a fellow worker or a team that has been doing a great job in any of the 4 categories:

Service Excellence
Innovation and Creativity
Above and Beyond
Sustainability

Managers then vote each month to decide who we Reward and Recognise:

August Reward and Recognition went to:

George Achike our Community Safety Officer in Docker River for going **Above and Beyond**

Patrick Byrne our Coordinator Youth Services in Alice Springs for his **Service Excellence**

Darlyhne Lillico our Community Services Administration Officer in Alice Springs for his **Innovation and Creativity**

Tanya Luckey our Coordinator Service Centre in Imanpa for going **Above and Beyond**

Daniel Ryan our Coordinator Youth Services in Alice Springs for his **Innovation and Creativity**

Ashley Wiseman our Team Leader Community Safety in Docker River for going **Above and Beyond**

September Reward and Recognition went to:

Daryl Corby our Senior Community Safety Officer in Mount Liebig for his **Service Excellence**

Fleet Services Team for their **Service Excellence**

Jules Kornaat our Coordinator Community Safety in Alice Springs for her **Service Excellence**

Santa Teresa Community Safety Team for their **Service Excellence**

October Reward and Recognition went to:

Hermannsburg Youth Team for their **Service Excellence**

Jenny Murnik our Community Services Senior Administration Officer in Alice Springs for going **Above and Beyond**

Wilbur Poulson our Team Leader Community Safety in Areyonga for going **Above and Beyond**

Lorraine Stuart our Team Leader Community Safety in Finke for going **Above and Beyond**

STAFF MOVEMENTS

We congratulate those who have taken up new roles within the Council and extend a big welcome to the following people who have joined MacDonnell Regional Council since our last issue.

Alice Springs

- Donelle (CT) Fraser - Manager Service Delivery
- Jahnavi Gupta - Customer Service Officer
- Glenn Irvine - Information Services Training and Records Officer
- Lily McKnight - OSHLP Coordinator
- Maryam Moradi - Coordinator Home Care
- Arvincanz Roping - Infrastructure Officer
- Alister Stevic - Coordinator Aquatic Facilities and Projects
- Amber Thompson - Team Leader Children's Services
- Pauline Tisell - Records Officer

Areyonga (Utju)

- Gaetana Bob - Early Learning Educator
- Wade Charles - Team Leader Youth Services
- Frankie Dixon - Works Assistant
- Kelly Djana - Works Assistant
- Kelly Djana - Pool Assistant
- Michael English - Team Leader Pool
- Peggy Gallagher - Early Learning Educator
- Natasha Glen - Early Learning Educator
- Veronica Long - Pool Assistant
- Loretta Meneri - Early Learning Educator
- Vanessa Summerfield - Centrelink Customer Service Officer
- Helen Tjukintja - Senior Community Safety Officer

Docker River (Kaltukatjara)

- Wallace Hopkins - Works Assistant

Finke (Aputula)

- Justine Anderson - Community Safety Officer
- Marlene Boko - Home Care Assistant
- Phillip Doolan - Works Assistant
- Michael Lambourne - Works Assistant
- Marjorie Tanya Meruntju - Early Learning Educator
- Nevio Tjami - Works Assistant
- Aaron Westcott - Essential Services Officer

Haasts Bluff (Ikuntji)

- Thomas Corby - Works Assistant
- Anne-Maree Impu - Home Care Assistant
- Maxie Marshall - Works Assistant
- Rolland Martin - Works Assistant
- Jacinta Richards - Team Leader Youth Services
- Stephen Wadley - Coordinator Service Centre
- Paul Westcott - Essential Services Officer
- Joseph Zimran - Works Assistant

Hermannsburg (Ntaria)

- Narelle Abbott - Educator - Early Learning
- Millenium Katarinja - Youth Services Officer
- Georgina Malbunka - Home Care Assistant
- Nahum Malbunka - Home Care Assistant
- Jasmine Ngalkin - Home Care Assistant
- Nisha Chandran Parameswara Vilasam - Team Leader Children's Services
- Sharona Richardson - Early Learning Educator

Imanpa

- David Inkamala - Local Authority Member

Kintore (Walungurru)

- Rowan Baldock - Works Assistant
- Damien Burrenjuck - Works Assistant
- Theresa Campbell - Early Learning Educator
- Jeremiah Gibson - Works Assistant
- Rowena Gibson - Pool Assistant
- Lorna Jackson - Pool Assistant
- Georgina Maxwell - Early Learning Educator
- Marita Maxwell - Early Learning Educator
- Erin Michael - Pool Assistant
